Area lakes to be studied

Paul Dugenske, a sixth grader at the Antioch Upper Grade School, offered to take some of the First National Bank's "old" money off their hands while touring the bank with his classmates this week. (Staff Photo) See Story and Pictures on Page 4

Special sewage meeting called

Many things were discussed at Monday night's Village Board meeting. Among the most important topics discussed was the matter of the Sewage Treatment Expansion.

Trustee Bill Seemann reported that his committee is not able at this time to make a decision on what action the Board should take. Seemann said, "We have to have all the facts and we don't have them all at this time. I also feel that the pending Bills in Springfield will be passed and that will allow the Fox Lake Plant to begin."

Seemann then called for two special meetings. The first meeting was set for May 30 at which time the Board will meet with the Bonding Commissioner to explore what funds would be available to the Village if they are to go it on their own. The second meeting was scheduled for May 31 when the Board will meet with Robert Deegen of the Lake County Regional Planning Commission. The times for these meetings have not yet been arranged.

The Clark Outdoor Spraying Committee was hired following the recommendation of the Mosquito Abatement Committee. The program will consist of approximately 20 sprayings larvae sitings, basin treatments and a light trap service. The cost of this program is not to exceed \$3,654. A Village Employee will make the rounds

with the spraying crew to see that all streets are sprayed. A representative from the company was present at the meeting and he said the spraying will begin at the end of this week. He also said that the light trap will be changed 3 times each week, rather than twice a week as was done last year.

A letter was read from an interested buyer of the vacated First National Bank Building on Main Street. The buyer would like to open a dining and supper club in Antioch, but has run into complications as there are no liquor licenses available. The buyer has asked the Board to consider drawing up a special ordinance that will permit dining and a Supper Club to house a liquor license. The license committee will investi-

gate the matter and will hold a special meeting concerning it. The meeting will be opened to the public and the date and time will be announced.

The ordinance outlawing barb wired fence in Antioch was presented to the Board. The Ordinance was tabled following a lengthy discussion on what is considered as barb wire or barb wire devices.

The Board voted to give \$4,000 of their revenue sharing money to the Antioch Township Library. A contractual agreement between the Village and the Library is necessary to make this transaction legal and the Attorneys were authorized to draw up the agreement.

June 11th was formally proclaimed as Weight Watcher's Day.

in the identification of nutrient sources. At the same time, three specially-equipped HUEY jet helicopters - supplied to EPA by the Department of Defense - will be landing on the 31 Illinois lakes to conduct series of intensive water samplings to assess their current eutrophication problems and to establish their tolerance for various nutrient levels.

"Eutrophication" is one of the most serious water quality problems facing many areas of the Nation today. Excess chemical nutrients, notably phosphates, can over-stimulate aquatic plant growth. Ultimately, the eutrophication process so deteriorates water quality that fish die and the lake's aesthetic and recreational values are lost. Over an extended period of continued growth and decay of plant life, the lake can slowly fill to the point where it will disappear. The nutrients which feed plant growth variously enter lakes from natural land runoff, from effluent discharged by municipal sewage treatment plants and industries.

According to Major General

Patton, participating Guardsmen will operate from their local units, some 19 in all, taking samples generally on weekends, each month, for a year. "We have been pleased by the enthusiasm expressed by our Guardsmen toward this project," said the General. "The men know that it will involve hard work and perseverance, but they realize the great benefits that the study may develop for Illinois."

The Illinois Environmental Protection Agency will furnish a team of specialists for the technical training of the National Guard volunteers, according to John J. Forneris of that agency.

The Guard and EPA have agreed that the first samples will be taken at all state points on Saturday and Sunday, June 2nd and 3rd; those samples, like subsequent ones, will be shipped to EPA's National Environmental Research Center, Corvallis, Oregon, for analysis. The final report on Survey findings will be made available a few months after the conclusion of the one-year sampling program.

LOCK IT AND POCKET THE KEYS

With summer coming the Antioch Jaycee's would like to remind you to lock it and pocket your car keys. Don't make it easy for a kid to become a criminal.

According to the National Auto Theft Bureau, the FBI 1971 Crime Report states: 941,600 cars were stolen during that year. The cars were on an average valued at \$933 per car. 53 percent of these cars were

stolen by youths under 18 years of age. 40-50 percent of the cars had keys sitting in the ignition. 75 percent of them were stolen for transportation purpose or for a joy-ride rather than for the money. 50 percent of these cars were recovered within 48 hours.

The preceding statistics should tell you something. Please remember to lock your car and to bring the keys with you!

The Antioch Firemen took second place in the Bucket Brigade, third place in the three Man Hydrant Hookup and Waterfight and fourth place in Commercial on Saturday at the 41st Anniversary Lake County Fireman's Association Convention.

There was a 1½ minute time period set for the five man bucket brigade. Canvas buckets were used and hip boots were a necessity. This was a free style event, and the water was taken from the lake and was transported in canvas buckets to a tank five feet off the ground on a scale. The winners were judged by the weight of the water transported.

The three man water hook-up involved three men lined up behind a designated line that was about 10 feet away from the hydrant and about 25 feet away

Firemen receive raises

The Antioch Firemen were granted a long awaited raise at Monday night's Village Board meeting. They will now receive \$3.00 an hour for fighting fires. Prior to this time they received \$2.00 an hour for the first hour and \$1.50 for each hour after that.

The Board authorized the purchase of additional equipment that is needed for the new fire truck soon to be delivered. The needed equipment includes a Scots Air Pak, a generator, and a smoke adjuster. Peter Peirsch's bid for \$2,408.08 was accepted. This is the same company that is making the new engine.

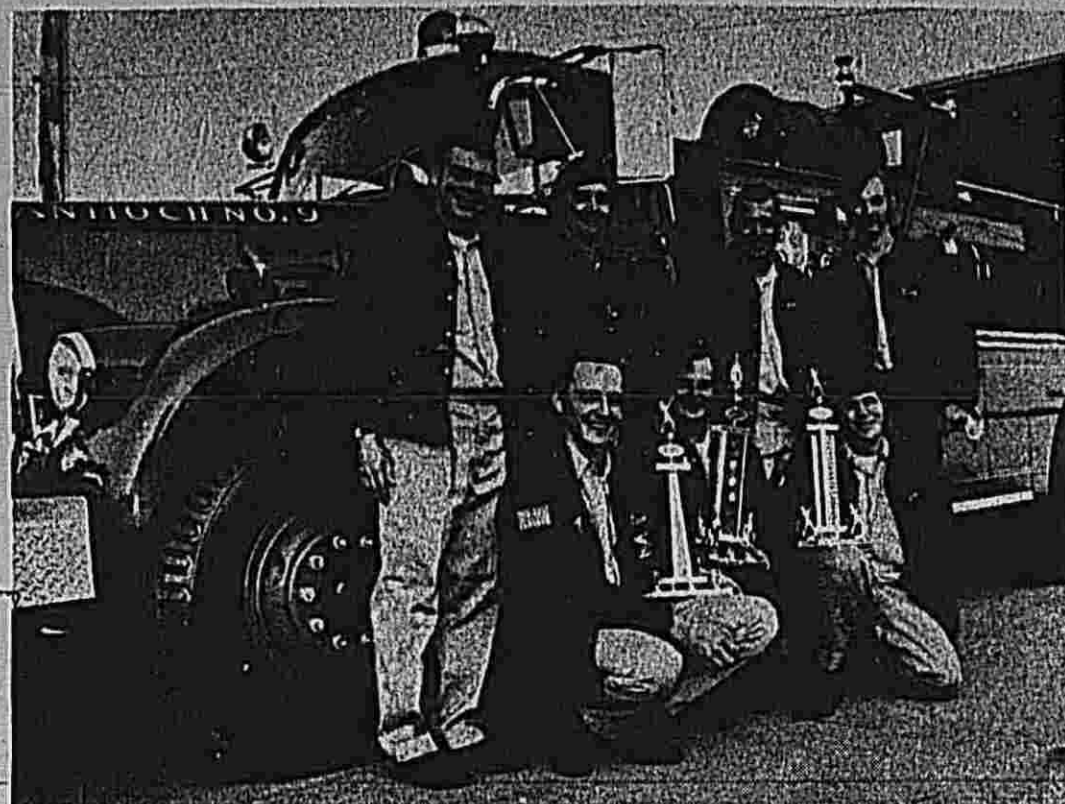

It will now be possible for four firemen to attend the Fireman College this year as the Board gave their nod of approval. The cost will amount to \$100.00 per applicant and will extend over a four day period. It is not known at this time how many men will attend the college.

ANTIOCH FIREMEN ARE REAL WINNERS

from the 30' designated circles. When the signal sounded the men proceeded to their circles, coupled their hoses, and directed their water steam to targets that were about 175' away from the hydrant. The contest ended when the targets were moved away by the water stream.

The winners of each division were as follows:

5 Man Hook-up, 1st-Fox Lake, 2nd-Lake Villa, 3rd-Knollwood.
 3 Man Hookup, 1st-Fox Lake, 2nd-Lake Villa, 3rd-Antioch.
 Bucket Brigade, 1st-Knollwood, 2nd-Antioch, 3rd-Long Grove.
 Waterfight, 1st-Fox Lake, 2nd-Lake Villa, 3rd-Antioch.

Firemen (front row, lr) Dennis Volling, Bob Cunningham and John Horan, (2nd row) Jerry Van Patten, Ken Watson, Jim Krieger, and Greg Johnson (Absent are Dale Frasch and Gerry Ehrhart) walked away with three trophies from the Fireman's Convention held in Libertyville over the weekend.

TIME TO REMEMBER

Another Holiday is just around the corner. It is the national holiday known as Memorial Day. In years gone by it was better known as Decoration Day. It was so called because on that day the graves of dead soldiers and sailors were decorated with flags and flowers. It is now better known as Memorial Day because it has been set aside in memory of the men, who have died in fighting for their country.

The beginning of Memorial Day followed in the footsteps of Civil War. At that time many men had been killed in the war and the people wanted some distinct way of honoring them. Even before the war ended, Southern Women had brought flowers to the graves of both Southern and Northern Soldiers. As early as 1866 a special day was set aside. The first Memorial Day was held at Woodlawn Cemetery, Carbondale, Illinois on Sunday, April 29th, 1866, just a year after the Civil War. It could almost be called an impromptu event, because only two weeks earlier three veterans assembled at the Methodist Church and marched to the cemetery. The principal speaker was Gen. John A. Logan, and following his address farmers from the area provided hogs for a barbeque and the local baker supplied the bread.

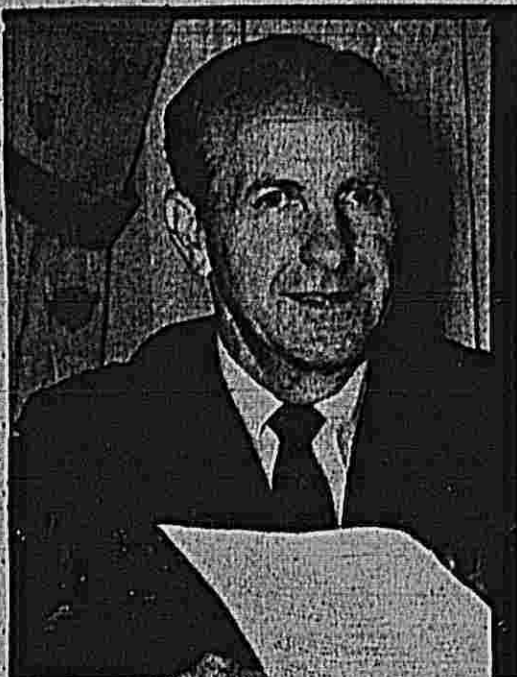

A similar observance was held the next year, but two years later General Logan, as commander in chief of the Grand Army of the Republic, issued a general order stating that May 30th was "designated for the purpose of strewing with flowers or otherwise decorating the graves of comrades who died in the defense of their country during the late rebellion." He inaugurated the observance, he said, "with the hope that it will be kept up from year to year."

Obviously, Memorial Day was carried on through America's history. Many cities remember their past soldiers with a parade, but this year due to circumstances beyond control, Antioch will not be among them.

However, Memorial Day should not pass forgotten. Time should be taken to honor those who have fought and died for us in some special, perhaps personal way.

There will be special Memorial Day Services in Antioch. Graveside services will be performed by the Antioch American Legion Post No. 748 for members and guests on May 28th at 11 A.M. at the Hillside Cemetery. The public is invited to attend.

Memorial Day Services will also be held at the Millburn Cemetery on Sunday afternoon, May 27th at 2:00 P.M.

The gasoline shortage about which warnings have been heard for many months is just now being experienced by motorists.

The early closing of many gasoline stations, the limitations on individual purchases to 10 gallons per passenger car on the Illinois Tollway, and the frantic appeals of small independent service station operators—all evidence the crisis which is now upon us.

Voluntary programs of management of gasoline supplies and informal systems of rationing may not be adequate to meet the problem which will emerge when school vacations turn loose additional millions of motorists bent on sightseeing far and wide throughout the nation.

In the recently passed Economic Stabilization Act, the President is authorized for a period of one year "to allocate petroleum products." This authority is available now for reducing the discrepancy which exists between generous gasoline supplies in the coastal areas, and a drying up of gasoline sources in the Middle West.

Another dilemma about which early warnings were issued involves the plight of the small and independent service station operators. These highly competitive and often-times "cut-rate" station operators are finding it difficult and sometimes impossible to secure wholesale gasoline supplies from the large producers and refiners. According to a recent report, 562 gas stations across the country have closed down. Another 1,376 are being threatened by supply shortages, and most are struggling to stay in business.

In eliminating all quotas on imported petroleum products, the Administration has attempted to relieve the shortages of gasoline and fuel oil. Practices adopted by the Oil Import Appeals Board are reported to favor independent companies in order that they may continue in business—and maintain competition. Also, in connection with imports, independents are entitled to a share of "quota tickets" which they are able to trade to large companies in exchange for domestic supplies.

While increased petroleum of all kinds will be available from the North slop of Alaska when the Alaska pipeline is ultimately approved and operating, relief from this source cannot be expected before 1977. When we contemplate that our petroleum needs will increase by 15 percent by 1975, and nearly double by 1980, it becomes clear that shortages will remain with us for some time to come.

Several legislative measures appear to be gathering momentum. This Member of Congress is co-sponsoring a bill intended to aid independent retailers of gasoline and fuel oil whose

Dear Editor:

Your editorial "Umbrella of Education" state that "This is the time to consider just how much our schools should be responsible for". You also stated - "In the past this type of case probably would have been handled by the State Health Department or by a similar department". Yes, indeed, the child probably would have been torn from his family and community and sent away to a state institution. The cost to the taxpayer would have been many times higher, not to mention the damage to the family and more importantly to the child.

It is a state mandate that the schools educate handicapped children, because for too many years these children were kept in closets and deprived of an opportunity to reach their full potential. This responsibility was mandated by our representatives in the legislature who reacted to the plight of the "special" child who needs special education. It was another example of the state closing a void because the community did not respond.

The State has placed many requirements in our schools which are unreasonable, but let's not confuse or compare long needed special education programs with mandatory hot lunch programs.

One of the most important

Letters to the Editor on any current issues are welcome. Only letters with names can be considered for this column. Signatures will be withheld on request. Letters cannot be returned and are subject to minor editing.

trends in modern education is putting emphasis on individual attention to the needs of each pupil. No one would argue that our emphasis should be on the dignity and worth of the individual.

The flexible curriculum, special teachers for handicapped children, and special opportunities for gifted or superior children are some evidences of this new trend.

It is the school board's responsibility to provide all the children in the district with educational opportunities. This special child with its special problem should not generate such anxiety. The long hard battle fought in the legislature for the rights of the special child should not now be obfuscated. It means too much to these children who are part of our community and our educational system. Lets adress ourselves to this community problem without confusing the issues.

Sincerely yours,

Albert A. Bucar, O.D.

principal source of supply has been one or more of the major oil companies. Under the bill, supplies to independents could not be curtailed unless a corresponding reduction was applied to the companies' affiliated retail outlets.

Another bill offered by Senator Henry Jackson of Washington, proposes to (a) establish an emergency 90-day supply of oil controlled by the government (b) give the government permanent authority to allocate all energy fuels, and (c) institute a 10-year, \$20 billion research and development program to speed up use of new energy sources. The Jackson measure goes far beyond the immediate crunch for a larger supply of gasoline. However, it recognizes the shortage of all petroleum products, of which automobile gas is most critical at this hour.

This crisis will be experienced most acutely during the next few weeks when the family piles into the car or camper and heads for the open road and -- an open service station.

MR. AND MRS. RUSH:

I would like to say thank you for putting my articles in the newspaper during my term as Hope. The Rainbow Girls enjoy having news of their organization in your paper. We like to have our friends in Antioch know what's going on at Rainbow. Again, I say thank you.

Sincerely yours,

Louise Kutz

WARNING TO BIKE OWNERS

The weather is getting nice again and bicycles have taken to the road. Over the past week many bicycles have been reported as stolen. It is advised that riders lock their bikes when parked and that they register them at the Police Department. Remember that bicycles are one of the easy items to steal and that they are much in demand, not to mention that they are valuable. So take care that your bicycle is not listed among the stolen or missing.

ANTIOCH PROPER BECOMES A LEARNING CENTER

The 6th graders at the Antioch Upper Grade School have had a real lesson in life this week, as they were given first hand experience in consumer education.

Mr. Booth, Mr. Vavra, Ms. Latimer, and Mrs. Jensen, all sixth grade teachers at the school, arranged for the unusual lesson.

When the teachers began to work out the study plans on consumer education, they tried to work out a method in which their students could actually see economics in action. Four heads are better than one and they finally arrived at a happy solution.

They then went ahead and contacted local merchants in Antioch and made arrangements for their sixth graders to visit them. Three main areas of study were selected, including the car dealers, banks, and food stores.

Once the proper arrangements were made the students were divided into groups of four. These were not ordinary groups, by the way, but rather they were family groups. Each family was organized in such a way that it would have at least one expert in each of the three areas. Each student could pick the area that he was most interested in to visit, however.

From the 15th to the 18th of this month the students set about their work. Those who had elected to visit the grocery stores made their rounds of the A & P, the Jewel and the Pay-Less. After a tour of each store the students then set about conducting their own assigned projects. They drew up a floor plan of each store and compared meat, vegetable, fruit and various other food prices.

The students who had selected the banks visited the State Bank of Antioch and the First National Bank. They were given a tour of the banks as well as a real lesson in finance. They were shown how to make out a check and how to deposit money, as well as how to withdraw it. They gathered such information as how much interest is charged for each type of loan? What kind of savings account does the bank offer? How often does the bank pay interest on a regular savings account?, etc.

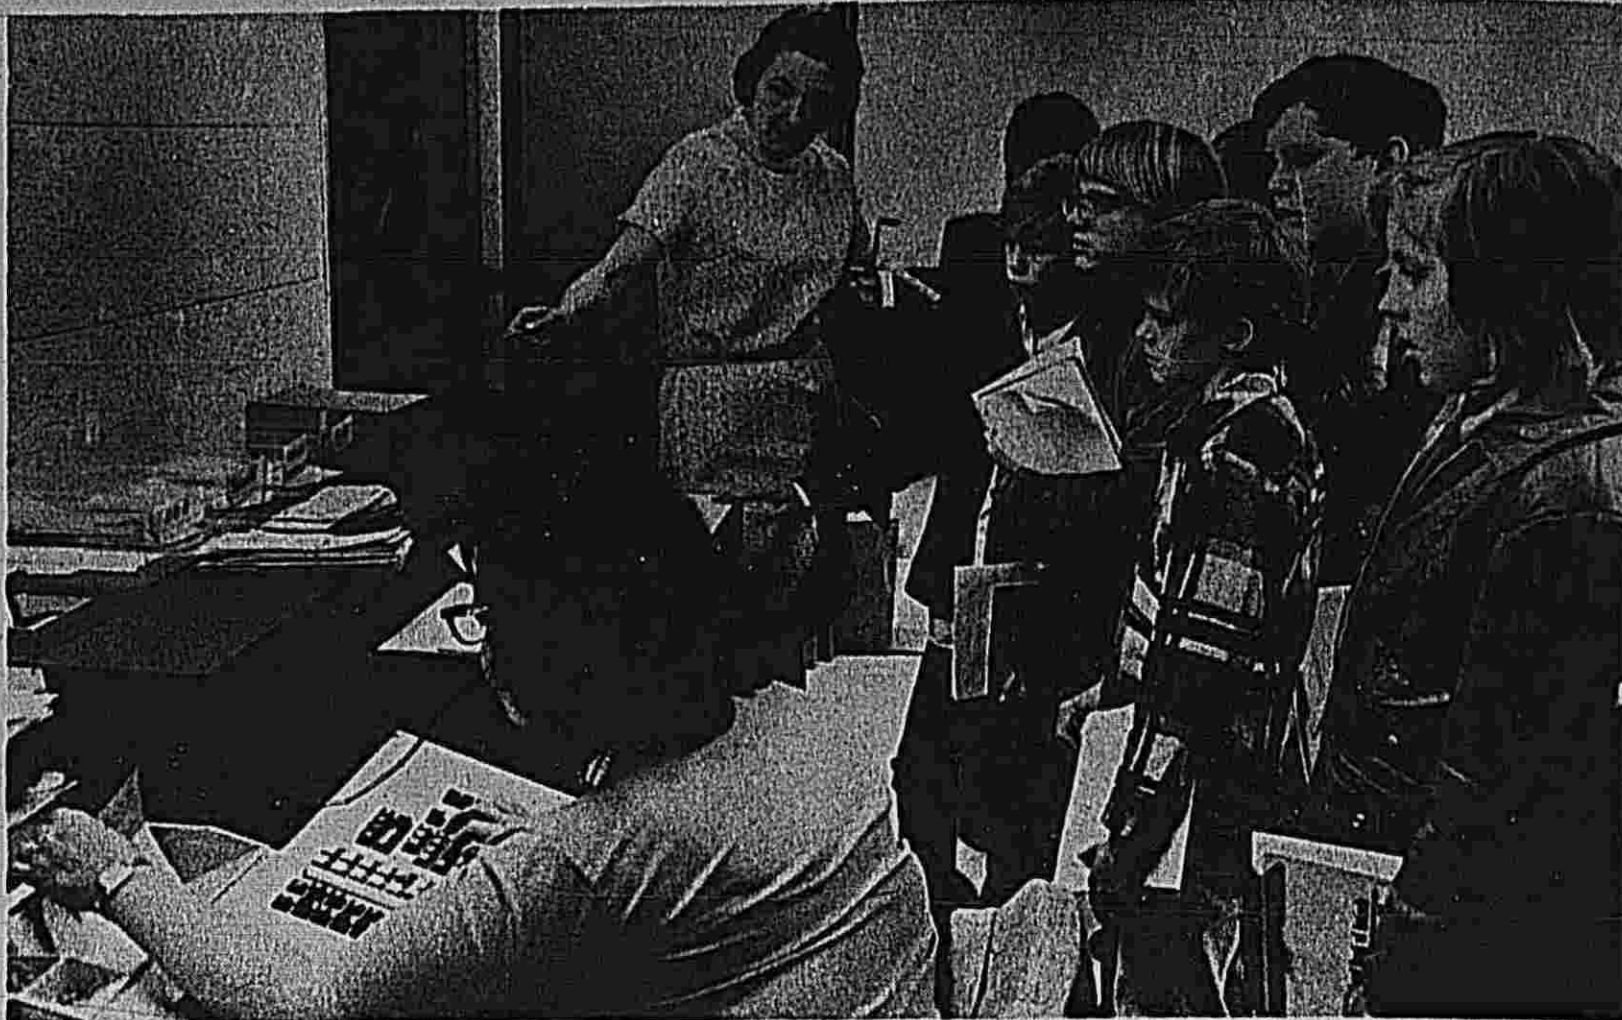

The students seemed to be very attentive during the tours and asked many questions. At the First National Bank they were especially amazed at the six ton vault door that could be

moved with one hand. They looked over the vault with great interest and generously offered to take any of the Bank's old beat up money of their hands.

Meanwhile, other students were making the rounds of the car dealers. They visited Stringer Dodge Motors, John Teresi-Chev Olds, and Don Pittman Motors. They enjoyed the tour and asked many questions. They compared prices and considered options. One of the students commented to another that he thought his family had better stick with a used car.

Once the students gathered the needed information they returned to school and reassembled in their various families. Given a lot of freedom with the family groups, they could either have a mother, a father and two children; a mother and three children; or a father and three children. This was done in order to make the study as close to a real life situation as possible.

The students were also allowed to choose what the bread-winner's occupation would be and how much education was necessary for the occupation. Once the job was determined, a salary was arranged and the budget for each family was worked out. The experts in each field then helped the family determine what food store was best to shop

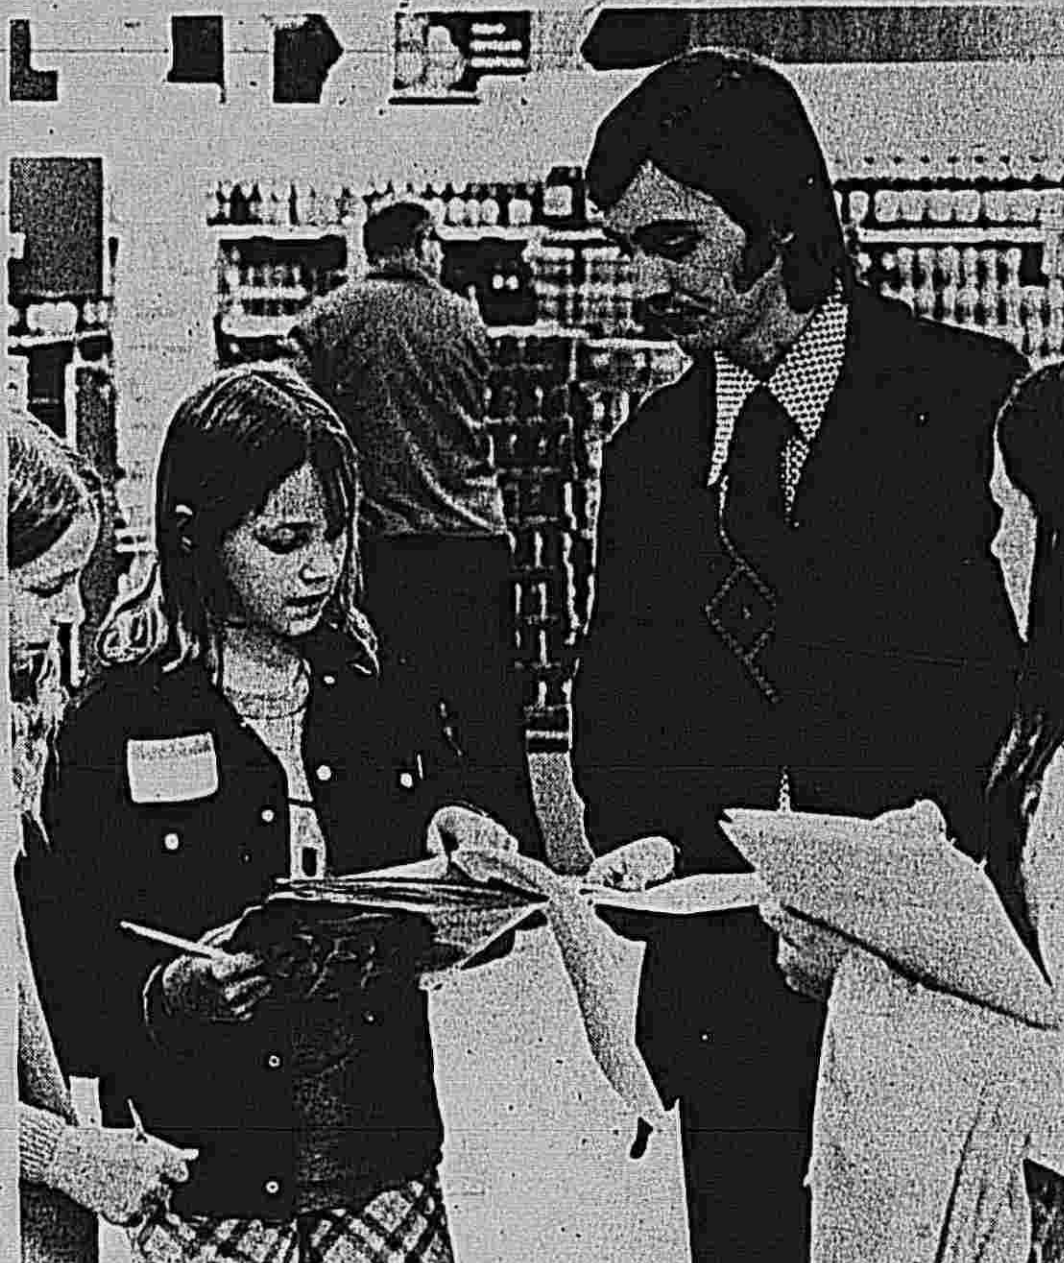

Jean Irving, of the First National Bank of Antioch, gave sixth graders (1 to r) Marvin Gibson, Tom Stroschein, Mark Filwett, Mike Ruggles, and Theresa White a detailed tour of the bank. Jackie Frad, who runs the proof machine at the Bank explained to the students the advantages of magnetic ink. (Staff Photo)

at and how much they would need to spend on groceries each week. The car expert would help the family decide what car would meet their needs the best and also fit inside their budget. And then the bank expert, of course, would help the family decide which bank would be best to finance the car.

The students will be working in their family groups for the next week or so and when the lesson is completed it is hoped the students will have a better understanding of what it takes to manage a family unit as well as gaining a valuable first insight into consumer education.

Mr. Vavra (center), a sixth grade teacher at the Upper Grade School, helps students with their project at the Antioch A & P last Thursday. Students are (1 to r) Tammy Mohr, Debbie Miller and Claudette Sands. (Staff Photo)

Ruth Calloway, a teller at the First National Bank, explains her job to sixth grade students (1 to r) Janet Nordstrom, Jeff Willemarck, Gary Hill and Jim Oilschlager. (Staff Photo)

Ron Sizer, a car salesman at John Teresi's, gives sixth grade students (1 to r) Mike Fish, Jamie Vasek, Matt Kromer and Dan Harrington, some estimates on new cars. (Staff Photo)

The students looked over the used cars too. Mr. Sizer points out some of the advantages to (1 to r) Mark Havert, Matt Chase, Steve Dauck, and Rick Thornburgh. (Staff Photo)

LET'S HEAR IT FOR FREDDIE

Sometimes our society has the tendency to overlook and take for granted some of the most important people in its structure.

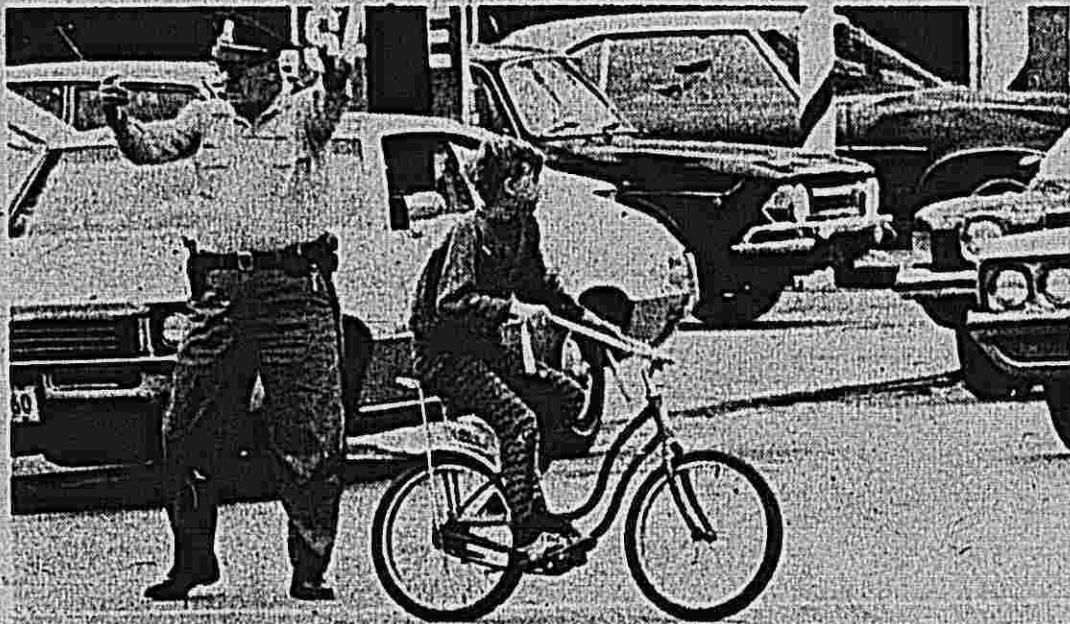

Fred Herdt is the school crossing guard, who is assigned to the crossing on Main Street and Depot Street. His job is to safeguard the students of the Antioch Grade School.

In the two years or more Fred has been on this corner, there have been no mishaps to any of our children. Chief Wells and all members of the Police Department know Fred to be a good and reliable man and a definite asset to the Police Department. He knows and is known by all the children as Freddie. Chief Wells has had many of the parents and teachers remark on Fred's devotion to his duties. He can be seen in every kind of weather ever alert and pleasant to all.

When Fred is sure all the children are safely in school, he

will be seen walking the streets as our parking meter man. He issues tickets and does the collecting from our meters and along with Ed Simonson keeps them in good repair. Fred is also used as a corner man in the transporting of prisoners to the County Jail, etc.

Fred was born in Chicago, Illinois, and moved to the Antioch area about 12 years ago. Fred has also worked at the Youth detention home in Chicago, Illinois. Fred works part time at the State Bank on Friday and special occasions as security man. Fred lives with his wife Alice and has two married children. He has a mobile home in Central, Illinois and spends some of his weekends at his trailer just relaxing and enjoying his grandchildren. The Village Officials and members of the Antioch Police Department all feel fortunate that we have a man of Fred's caliber in this position.

BRANCH BANKING NARROWLY DEFEATED

On May 16th, 1973, the Illinois Senate defeated a move to over-ride the action of the Insurance and Financial Institutions Committee concerning Senate Bills 934 (Branch Banking) and 935 (Bank Holding Companies). Previously, the Financial Institutions

Committee had voted 6 to 6 on Senate Bill 934 and 7 to 5 against Senate Bill 935.

The full Senate by a vote of 26 to 21 defeated the motion to override the Committee's action on Senate Bill 934. In view of this vote, Bill 935 was tabled by the sponsor, Senator Philip J. Rock.

BUILDING PROBLEMS IN OAKWOOD KNOLLS

Oakwood Knolls has another problem. It does not deal with the condition of their lagoon, rather it deals with a builder named Roy Johnson and a party by the name of Mr. and Mrs. Gene Bryn.

The problem was brought out into the open at Monday nights Village Board meeting, as it is a concern of the Village of Antioch.

Roy Johnson has applied to the Village for a building permit and the Village is hesitating to grant him one. This hesitation is due to several factors. To begin with, last November, Mr. Johnson was issued two building permits to build two homes in Oakwood Knolls. The homes were to be completed by March of this year. One of the homes has been completed, but the other home has fallen greatly behind its deadline. This is the home that Mr. and Mrs. Gene Bryn have placed their

downpayment on. They contend that Roy Johnson has been very uncooperative. He has been hard to reach and has ignored many problems that have occurred during the building of the home.

Mr. Bryn told the board he spotted two of the rear windows that were incorrect and would need to be replaced. He said that Mr. Johnson took two weeks before he did anything about them.

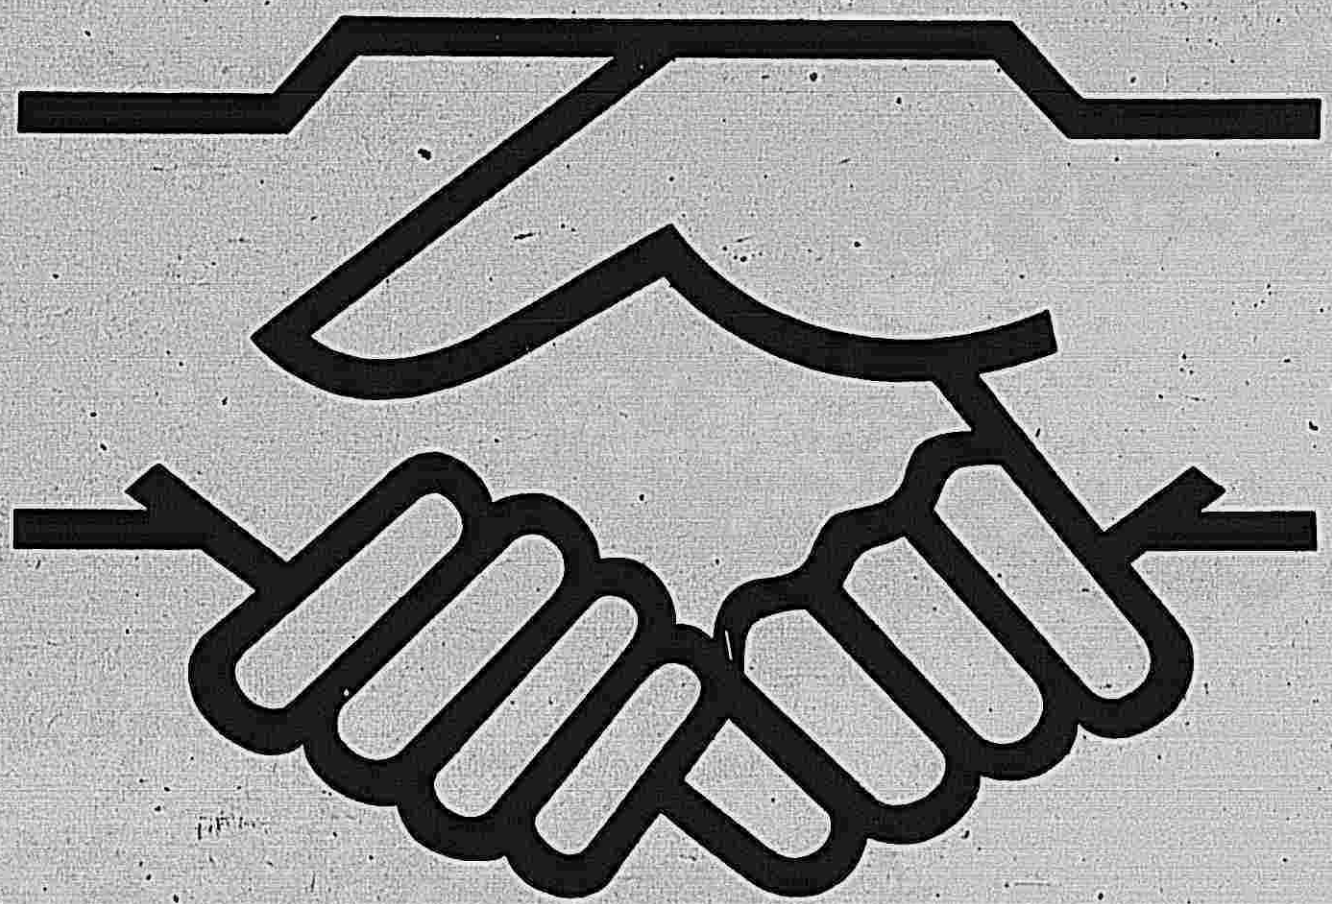

Mr. Johnson was also at the meeting to defend himself. He contended that he had "run into some rough water," as he has recently split up with his partner and is now on his own. Because of the split he said he was not able to begin the Bryn home on time.

When asked why he was able to complete one of the homes, and not both since they were supposed to be built simultaneously, he was not lost for an

answer. He said the completed home was a stock home and there were no complications. But the house in question is a custom home and there have been many complications. He said the windows have caused problems along with the vinyl siding and the septic system. Johnson also contended that the weather had been a factor causing delay. When asked when the house would be completed he said, "Probably by the middle of June".

Frank Warren, who is the President of the Oakwood Knolls Association, also had a complaint against Roy Johnson. He told the Board that the property on the corner of Edgewood and Oakwood, where Mr. Johnson has been building, was an unsightly mess. He further stated that there was debris scattered all over the property and had been like that

Continued on Page 12

A Community of Interests

For General Motors, a large city bank is the place to go for financial assistance. They deal with a top officer, in deals involving millions, because the large bank talks their language, shares their interests.

So doesn't it make sense that when you're talking about small business or personal banking business you go to an independent community bank, which shares your interests, and talks your language? We think so . . . because that's what we're here for . . . to take care of the financial needs of the people in our community, with whom we share interests and concerns in common. Come in and see us when you have banking needs . . . remember, you're an important part of us.

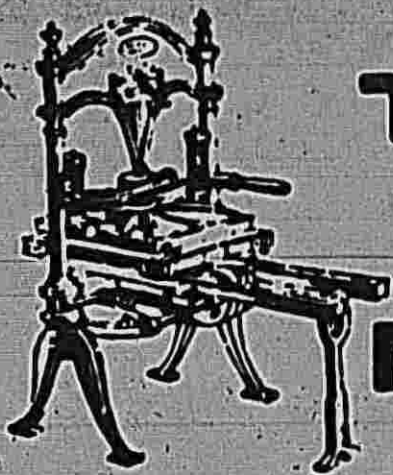

First National Bank of Antioch

"YOUR KEY TO THE FUTURE"

CLOSED ON MONDAY,
MAY 28th
MEMORIAL DAY.

485 Lake Street
Antioch, Ill. 395-3111

The Time Machine

70 YEARS AGO MAY 21, 1903

The Antioch Laundry was opened last week for business and we are informed that a competent laundry man has been secured and that 1st class work will be turned out.

Born, two Mr. and Mrs. Ed Proctor, May 11 a baby boy.

50 YEARS AGO MAY 23, 1923

At the meeting of the Milk Producers Association in Antioch Sat. nite, Charley Sibley was elected a delegate from this local to go to Springfield to protest the co-operative marketing bill before the legislature.

The garage and Storehouse of Townsend Smith on Hawley Avenue was destroyed by fire. Smith had in the buidling 13 cars.

20 YEARS AGO MAY 21, 1953

Pony League was formed this summer to provide boys, 13 to 15 years of age with baseball games, who are over Little League age. Ed Zalatoris of Tiffany Road will manage the team.

A new law was passed by the officials of the Antioch Fire District now compelling all residents of the district to get a permit from the Antioch Fire Chief before a grass fire can be started. Edward C. Jacobs, attorney for the Fire district drew up the ordinance on instruction.

10 YEARS AGO MAY 23, 1963

On May 25, Gov. Otto Kerner of the State of Illinois will lay the cornerstone of the new Antioch Savings and Loan Building on Saturday, May 25.

A new Chamber of Commerce was built on the basis to make a concentrated effort to stimulate business and generally promote the Antioch area. Bill Brook, heading the new chamber, Carl Seemann and John Stevens, will serve as Vice President while Marion Pechousek will hold the post of treasurer and Howard Shepard as secretary.

Aqua Center opens Memorial Day

The Antioch Aqua Center Heated Pool is slated to open on Memorial Day. The pool is owned and maintained by the Lions Club. For more information refer to the two ads printed in this paper or call 395-9700.

MAILBOX IMPROVEMENT WEEK

The condition and position of mailboxes, both rural and in towns, will be noted during the week of May 21-26, the period set for Mailbox Improvement Week, according to Postmaster Walter Barnas.

"The Postal Service designates a week during May each year when customers on rural, city motorized and contract delivery routes are encouraged to examine and improve, where necessary, the appearance of their mailboxes," Postmaster Barnas said.

"The purpose of Mailbox Improvement Week is to call attention to the need for providing mail receptacles which are designed to protect mail from the weather and are neat in appearance, conveniently located, and safe to use," he said. "Neat, attractive, mailboxes make a significant contribution to the appearance of the countryside and the streets in suburban areas," he said.

Postmaster Barnas said the placing of owners' names on the boxes is optional. "However, he added, "Where box numbers are assigned, the box number must be shown on the side of the box visible to the carrier as he

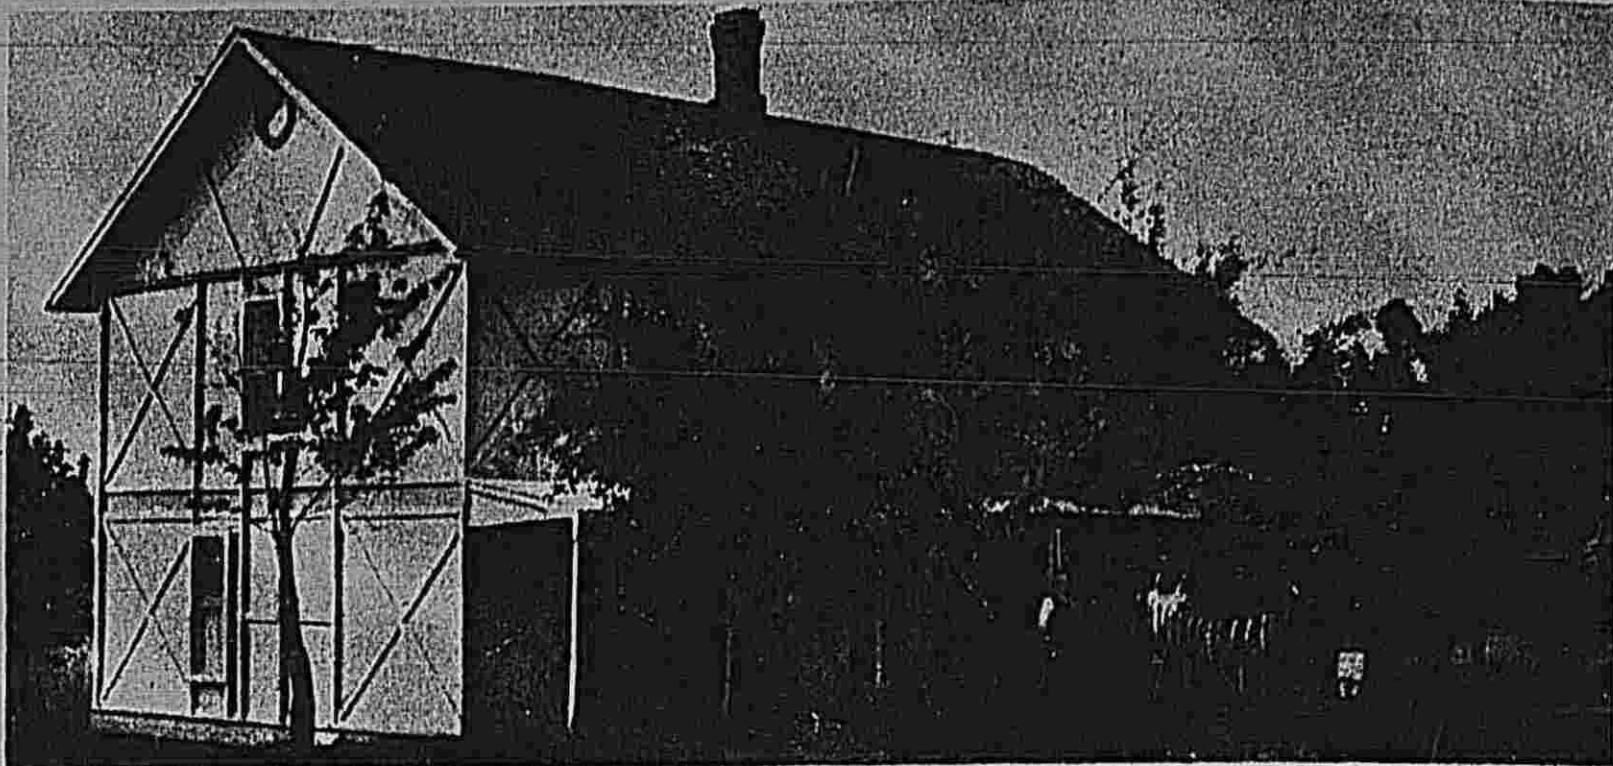

approached, or on the door where boxes are grouped."

He said that in areas where snow removal is a problem, the use of a semiarch of extended arm type of support is suggested. "This allows snow plows to sweep near or under boxes without damage to supports and provided easy access to the boxes by carriers and customers," he explained.

Postmaster Barnas reminded customers that when boxes are located on a street other than the one on which the customer resides, the street name and the house number must be inscribed on the box.

He said the height of the box depends upon the type vehicle used by the carrier. "The box should be adjusted so that as the lid opens, it falls even with the lowered window of the vehicle," he said. "This not only is for the convenience of the carrier, it increases efficiency by enabling the carrier to see clearly into the box when letters are to be picked up and helps him to expedite delivery by saving a few seconds at each box," Postmaster Barnas explained.

Boxes and supports should be kept painted and free from rust, he said.

REMEMBER WHEN

REMEMBER WHEN? We don't, but we know that all it takes sometimes is a little reminder to jerk a memory and bring back recollections of those days gone by. Each week we print an old photo submitted by an Antioch resident. Some we will be able to identify. For others, we leave it to you to search your own mental scrapbook. Call us if you can identify a photo. Better yet, if you have a memorable photo to share, bring it in to the office.

CENSUS INTERVIEWERS BEING SOUGHT

A special census of Population of the Village of Antioch will be undertaken the first week in June. Mrs. Jeanette Crossland, an experienced employee of the Census Bureau, has been selected to supervise this census. Mrs. Crossland will arrive in Antioch on Tuesday, June 5, 1973 to make final arrangements and to test prospective interviewers.

Applications for interviewers are now available at the office of Marilyn J. Sterbenz, Village

Clerk, 874 Main Street, Antioch, Illinois. Mrs. Sterbenz has listed some of the qualifications for interviewers as follows: citizens of the United States and at least 18 years of age. They should be of good appearance, physically able to do considerable walking and climbing of stairs, write in a legible hand, and be mentally able to understand the instructions. Also, they should be able and willing to work full-time until their assignments are com-

pleted. They will be paid a piece per day. Mrs. Sterbenz also states that it would be extremely helpful if applicants could be obtained from all areas of the village. Mrs. Crossland will test and interview the applicants and select those best qualified. rate of 11 cents for each properly recorded name in accordance with instructions furnished them. The average interviewer should be able to enumerate around 200 names

Along the Way with *Annie Mae*

What a beautiful weekend! The Bicyclers were out thick! And what a nice time to work in the yard.

Surprise! That was the word yelled on Friday night, when Kay and Wendy Kuechenmeister flew in from Florida and California, for the 25th wedding anniversary for their mom and dad Frank and Lucille. Thanks to Carl and Millie Nadr for pulling it off. It has been over 2 years since Wendy has been back to Antioch. She lives in LA and works for the city there.

On Saturday evening, the same sound rang out as many friends and relatives gathered to give their best wishes to Jean and Gordon DeBoer, on their 25th wedding anniversary.

Fire Chief Tod Mapletorpe can be VERY proud of his men this past weekend. They came home from the fire convention in Libertyville with 3 trophies. Its quite a feat to come home with one let alone THREE!! Congrats men! (See picture on page 2)

A convention was also held at the Arlington Towers by the Illinois Municipal League for newly elected officials all over the state. Bob Wilton, Marilyn Sterbenz, 2 trustees and the attorneys for our village attended.

The weather co-operated Sunday when the Antioch Little League officially opened the season. Saturday was spent getting the field and grounds in shape. Thank you to these dedicated fathers and managers, I'm sure the boys appreciate all your hard work!

The Jaycees are busy planning for their 2nd annual "Kids Clubs outing". About 60 worthy kids and a number of Jaycees will be leaving the high school parking lot on June 6 and heading for the Cubs ball park. Don't know who will have the most fun - kids or adults.....

A note to all organizations who are on our community calendar. If you do not meet in the summer months - PLEASE phone or drop us a postcard to let us know your schedule. We try not to miss your organizational meetings - and we don't want to "schedule any without your knowledge".

We goofed on the TB X-ray article last week. If you missed the mobile unit last week in Antioch, X-rays are available in Waukegan at the Lake County TB and RD Office, 813 Washington Street, the last Monday of each month except for May. X-rays will be taken on MAY 29 instead because of the Memorial Day holiday.

Our congratulations to all of the confirmands in Antioch this past Sunday. Thirty young people were confirmed at the Millburn Congregational Church while 13 were confirmed at St. Stephen Lutheran Church.

Birthday wishes this week go to Sheryl Holmes, Bill Carney, Dudley Kennedy and Barb Polsgrove on May 23; Hope Jenny VanPatten forgives us

for wishing her brother Jeff a happy birthday on the 21st. Jenny blows out the candles on that date instead! Loving wishes go to Ron Anderson on the 25th, and Clara Merryman also celebrates on the 25th. The 26th of May is the special day for Kenny Watson, Sandy Kessler and Gerri Ring. And Mike Harvey and Laura Kessler are sent birthday wishes on the 28th. That's a lota candles to blow out this week. Watch out for the wind.

Anniversary wishes this week go to Peggy (Pillsbury Bake-Off Winner) and Jerry Van Patten on May 23 who share that day celebrating with Arlene and Ed Olszewski. And wishes on the 24th go to Elaine and Ev Oftedahl.

The college kids are migrating back to Antioch for the summer. Please let us know when you get home so we can pull your subscription plate and hold it for the summer until school starts again.

THINK SUNSHINE!!

Annie Mae

GRANT SPONG TO ADDRESS GRASS LAKE GRADUATES

Grass Lake School will hold its graduation exercises on Thursday, May 31, 1973 beginning at 8:00 p.m.

Father Francis Johnson of the St. Peter's Church will give the Benediction. Mr. Grant Spong, Vice President of Industrial and Public Relations of Quaker Industries in Antioch will be the keynote speaker for the evening. Mr. Spong was born and raised in Youngstown, Ohio, where he attended Youngstown University. Mr. Spong is active in many clubs and organizations, among them are the Chamber of Commerce of which he was President in 1971, the Advisory Council of Evangel College, and Director of the Church Mens Department for the State of Wisconsin. Mr. Spong also was very instrumental in organizing the Business and Education Day Cooperative Last year due to his interest in Education.

Graduating Class of 1973: Christopher Ament, Richard Bailey, Harry Barker, Steven Barker, Richard Bealing, Erich Belz, Elizabeth Benes, Cindy Brown, Juli Case, Jed Davis, Linda DiSilvestro, Gary DiSilvestro, Shelly Flint, Maureen Fucela, Kevin Gilligan, Jerry Gokey, Velma Jorgensen, Dean Kelly, Joseph LaFata, Debra Lama, Timothy Lama, Martin Lloyd, Gloria Madden, Fred Alecki, Denise McLean, Markus Meyerin, David Morrison, Patrick Mullins, Scott Nohava, Robert Norton, Theresa Payton, Ronald Pedersen, David Pitner, David Quirk, George Schmalz, Raymond Sleitweller, Kenneth Swim, Brian Tarkowski, Timothy Troyer, Sheryl Wojnowiak and Vickie Zabelski.

ANTIOCH ROTARY NEWS

Guest speaker for the Antioch Rotary May 17 meeting was Governor Harold Atchinson. He previously was Governor of District 644 and is now with Rotary International in Evanston. Topic was on World Community Service: Joining and doing a project together. We must join hands across the world and do our best for humanity.

There were several guests at the meeting. Mr. Elmer Lorman, cement salesman was the guest of Vern Thelen; Mr. Fred Schroeder attended from the Richmond Rotary Club and Willis Reineman was attending from the Burlington Rotary Club. Mr. Homer White brought along as his guests, Mr. Ishige, a hog farmer from Japan, and his interpreter, Mr. Ota, from Chicago. Mr. Ishige is in this area looking over our farming methods.

Vern Thelen, who is the chairman of the Farm Relations Committee of the Antioch Rotary, presented Mr. Yoshio Ishige with a token banner at a luncheon at the Brave Bull on Thursday, May 17. (l to r) Vern Thelen, Mr. Ota, translator and interpreter for Mr. Ishige, Mr. Sevcik, from the Illinois Department of Agriculture, and Rotary member Homer White, who acted as host. (staff photo)

ISHIGE VISITS ANTIOCH

Mr. Yoshio Ishige visited Antioch last Thursday on his tour of the United States. Mr. Ishige is the President of the Kichijo Pig Center in Japan. He was the guest of Antioch Rotary Club Member Homer White, along with Mr. Ota from Chicago, who acted as interpreter for Mr. Ishige, and Mr. Sevcik from the Illinois Department of Agriculture. Mr. White and his guests dined with Rotary Club members at the Brave Bull on Route 83. Following their luncheon, the

men toured some cattle farms in the area.

This is the second time that Mr. Ishige has been in the United States. He owns a Hog farm in Japan and has come to the United States to purchase breeders and to investigate the possibility of opening a beef feeding unit.

He has been in the Chicago area for the past week. Prior to his stop in Chicago, he toured The Departments of Animal Science at the University of Iowa and at Purdue University.

POST OFFICE TO HOLD EXAMINATIONS JUNE 4

Post Office examinations will be held for combination Clerk-Carrier and also Custodian. The last day to pick up applications at the Antioch Post Office is June 4.

HOW TO STRETCH A RAILROAD TRACK

You are the engineer of a Soo Line freight train chugging north through Antioch on a warm bright Sunday afternoon. Your train rounds a curve approaching North Avenue and, suddenly, there in front of you is a "sun kink" - a small but dangerous ripple in the track, caused by expansion of the sun-heated rails. Grinding to a halt, you call the dispatcher in Stevens Points, asking him to send out the "track stretchers."

As you and the other crew members settle down to a

time-passing card game, and autos cautiously violate the flashing crossing signals, two track repair carts speed southward to your rescue.

These steel rails are not supposed to be extremely flexible. Under normal conditions, they should not kink very often. In fact, this is all new track. The Soo Line has just replaced the old 39 foot rails with new "ribbon rails." One ribbon rail is 1,051 feet long; just five of them cover a mile! But when this section of rail was

FLESH TONES IN OILS.....
Never rely on a tube of Flesh to give you the color for anyone's skin. There are several reasons for this. First, people differ greatly in complexion, not only because of race, but other factors like age, health, and possible suntan can create many variations. The bought tube of Flesh is too pale, too pink, and too cool (bluish) for the average caucasian skin. Secondly, if you used only the bought Flesh oil paints the results would be unnatural coloring for if one studies the color of skin closely, many color changes would be apparent. Skin is translucent, with veins and blotches showing through. Thirdly, there will be variations in color where the source of light influences the highlights. Ordinary light bulbs warm colors, daylight and some fluorescent lights cool the colors. To lighten and warm a color at the same time, we add yellow along with the white. It can be noted here too, that when one mixes paint for the shadow side of the face, greatest depth will be achieved if opposite

cool-warm qualities are given shadows. That is to say, cool lights need warm shadows and, conversely, warm lights need cool shadows.

So we see why we must vary skin tones. But with what colors? I recommend using yellow ochre as a basic color to which you can add white and lighter yellows to lighten or dark browns (burnt sienna, raw umber, or raw sienna) and a bit of blue to darken. (Opposite colors tone each down - and blue is opposite of brown). If the resulting color looks too greenish, add some cadmium red light or medium, for red and green are opposite colors.

If the flesh you are trying to mix is near the color of your hand, as you blend in colors, try to match the colors of your mixtures with those you see in your hand: relaxed knuckles are reddish and tight knuckles are yellowish. The highlights reflect the color of the light source just as it would on the tip of the nose, for example.

Watch out for reflected lights as from collars and background around the subject. This too can vary the flesh tones greatly. Never make up flesh tones unless you have had considerable opportunity to paint from close observation. Use yourself as study material, or make mental or actual notes of color variations as you observe other people, on a train, bus or any other place you can see a variety of people at once. The more you do this, the more you will realize you cannot limit yourself to Flesh, White and Black, but should work with a full palette of colors.

One final note. Unless you are doing someone heavily made-up with cosmetics, use pure grays, blues and greens sparingly. If dead flesh turns blue, then warm living flesh needs the glow of yellows, reds, and browns.

Happy painting.

This is the end of this series of articles from OUT OF MY PAINTBOX. I hope they have been a help and inspiration for you.

installed last week, one side was put in during the cool morning, the other side in the heat of the afternoon. On a particularly warm day, the steel rails expand. If there is no other place for this expansion to release itself, the rails kink.

The repair process is really quite simple - if you have the proper tools. First, a small gap must be cut out of the rail with an acetylene torch. Once that is done, the anchors which hold the rail to the rocky roadbed are hammered loose, and the kinked section - ties and all - is jacked up and moved over. After the rails are re-aligned, the gap is bolted together, and the rails are re-anchored.

Your path lies clear and straight ahead of you. After an enforced wait of about three hours in Antioch, you crank up the three diesel engines under your command and roll on northward over the section of track which was just "stretched out" before you.

LOIS GEIST TO BE THIS YEAR'S ILLINI GIRL'S STATER

Miss Lois Geist, daughter of the Charles Geist's, Grass Lake Road, Antioch, has been selected as a representative sponsored by the Antioch American Legion Auxiliary No. 748, to attend the 1973 session of Illini Girls' State. This session will be held on the campus of Mac Murray College at Jacksonville, Illinois, from June 12th to June 19th, 1973.

There will be some 550 girls attending Illini Girls' State from throughout the state. These girls state "citizens" are taught the practical application of Americanism through government and good citizenship. The entire program attempts to teach and instill in these young women a love of God and country. The girls become involved in serving in many official capacities of local, county and state government with two opposing mythical government parties called the nationalists and the federalists. Training in the various aspects of conducting an election, developing a party platform and learning the functions of governing are strongly emphasized.

Many well known legislators and officials visit Illini Girls' State and these young delegates have the opportunity not only to hear them but to personally meet them. The girls also have a tour of Springfield, visit many official sites, see Abraham Lincoln's Tomb, etc.

Lois Geist is well qualified to meet the high standards of integrity, character, honesty, scholastic ability, etc. demanded of all girl staters. She is a 16 year old Junior at the Antioch Community High School, and has served as class Vice President this last year. Lois also actively participates in the G.A.A., the School Choir, the Swing Choir and is a cheerleader. Academically, she has a straight "A" average, and is number ONE in her class.

Two girl staters will be picked to go to Girls' Nation, which will be held in Washington, D.C. These two fortunate young ladies will join with 98 delegates from the other 49 states. In the nation's capitol, they will see for themselves our federal legislative, judicial and execu-

tive bodies in action.

The Antioch American Legion Auxiliary is proud to have Lois Geist to sponsor for Illini Girls' State. Mrs. Joseph Horton, Girls' State Chairman, Mrs. Charles Geist and Lois attended the 10th District Auxiliary' Illini Girls' State Tea, held in the Homer Dahringer American Legion Home in Waukegan, May 6th.

The Antioch American Legion and the Auxiliary always need as many volunteers as possible to sell poppies on May 25th and 26th. Co-chairmen Mrs. Frank Kennedy and Mrs. Sam Pettigrew will have their headquarters in the State Bank of Antioch. They ask the public to help make these Poppy Days MOST SUCCESSFUL!

Anyone wishing to donate

Lois Geist

their services, should phone either Mrs. Pettigrew, Mrs. Kennedy or Mrs. John L. Horan, President.

ANTIOCH OFFICIALS ATTEND CONFERENCE

Mayor Robert Wilton, along with the Village Clerk Marilyn Sterbenz, and Village Attorney's, Rhode and Lynche attended the "Newly Elected Officials Conference at Arlington Heights on May 18th and 19th.

Mayor Wilton said that although he was only able to make it to one day of the Conference that it was more than worthwhile. The new Mayor found the Council procedures to be of particular interest along with the discussion on Home Rule and Non-Home Rule.

Other Topics that were

discussed included: Revenue Sharing, Levy and Appropriation of Taxes, Fiscal Procedures, Planning, Zoning and Sub-Division Control, the Environmental Protection Agency, a report on Current Legislation, and a Panel on General Municipal Problems.

Village Clerk Marilyn Sterbenz, who has attended other conferences of this type, also found it to be more than worthwhile. She commented that although the conference is mainly designed for newly elected officials, that it was refreshing to review procedures and the like.

POLICEMEN GO BACK TO SCHOOL

Officers Stan Revelle and Robert Learmont, two new officers on the Antioch Police force, will be attending some special classes at the end of this month.

Officer Learmont will attend a three day drug seminar on new and related tactics for seeking and prosecution of offenders.

Officer Revelle will be attending a five day course at the Evanston Police Academy. The course will include such topics as accident investigations, report writing, case preparation, self-defense and pistol range instructions.

Courses are being given in conjunction with Northwestern University. Antioch Chief of Police Jack Wells projects that these courses should be valuable to the whole department as well as to the whole city of Antioch.

The Home Oak Cemetery has taken on a new look as someone has stolen it's 100 year old gates. The cost of the gates is undetermined and it is very doubtful that they will be able to be replaced. (Staff Photo)

BRING BACK THE GATES

Within the last few weeks the cemetery gates at the Home Oak Cemetery on Deep Lake Road and Loon Lake Road were the target of thievery.

These gates were not ordinary gates. They stood guard over the cemetery for nearly a hundred years and were skillfully fashioned out of heavy wrought iron and were more than likely hand made.

The Oak Lawn Cemetery is one of the oldest cemeteries in this area. The headstones date back to 1823, and the headstones that are clustered in family groups seem to tell a tale of days gone by.

No one seems to know who could have stolen these old and noble gates. Some project that it was kids who were out for a good time, while others feel that it is more likely that an antique buff. was out for some money.

No matter who took the gates, the sad thing about it is that they cannot be replaced. How

do you go about securing three gates, (two double and one single) that were hand made nearly a hundred years ago?

Unless the bandit returns the gates, it is likely that the cemetery will remain gateless for the rest of its days.

This is the first time that the Home Oak Cemetery has experienced vandalism. But, according to Mr. Ed Strang, there has been a lot of vandalism in cemeteries all over the country. Mr. Strang is under the impression the vandals were kids merely out for a good time.

Mr. Strang said, "They damage headstones and don't think anything of it. We have now gone to flush stones to prevent damage. Some of the vandalized headstones are over a 100 years old, and there are no living relatives left to mend the damage. It is really a shame that there is such lack of respect for other peoples property.

THE PAISLEY CONVERTIBLE IS NEXT ON PM&L STAGE

PM&L will offer its last production of the '72-'73 season, The Paisley Convertible, on June 9, 15, 16, 22 and 23. This three-act comedy by Harry Cauley earned favorable reviews from its New York run. The New York Post described the show as "Inescapably disarming...wistfully friendly...kindly in its tentative foray into sex."

The convertible alluded to in the title of the play is no product of Detroit; it is a sofa which converts to a bed, an appropriate stage property for a show which opens with the two-month wedding anniversary party of Charlie and Amy Rodgers. Charlie's frustration with his lovely wife begins when he discovers that she has painted nude sketches of the muscular Ralph Keppleman. Amy suspects her husband of some kind of carrying on with his former fiancée, Sylvia Greer. And the light comedy is off and running. Amy's mother, Meg Tynan, arrives at the young couple's apartment to finally stop the series of misunderstandings that humorously occur.

Gerald Pettera, a seasoned director of both professional and amateur groups, has cast Donna Mascari as Amy, Dick Dyer as Charlie, Lou Jones as Ralph, Lillian Allen as Meg, and Pam Hill as Sylvia.

DOUBLE WEDDING PLANNED

DIANA LARSON

CARLA DYER

Mr. and Mrs. Charles E. Larson of Antioch, Illinois announce the engagement of their daughter Diana to Mr. John Mueller of Antioch.

Both the young people are graduates of ACHS. Diana is presently employed at the Antioch Township Library and her fiance is employed at Quaker Industries.

An August 25th double wedding is being planned. Mr. Mueller's brother, Tom, and his fiancee will be married at the same time.

Carla Dyer, daughter of Mr. and Mrs. Wayne Dyer of Antioch has become engaged to Mr. Tom Mueller.

Tom is a graduate of ACHS and is presently living in Florida. His fiancee will graduate from ACHS in June and is employed by Illinois Bell in Libertyville as an operator.

The young people will be married on Saturday, August 25th at the Evangelical Free Church in a double wedding with Mr. Mueller's brother.

MRS. FRED HOLBERT CHAIRMAN OF DOUGHNUT DAY

Mrs. Fred A. Holbert, 809 Rinear Road, Antioch, Illinois, will serve as Doughnut Day Chairman, Friday, June 8. The Antioch Women's Club has adopted Doughnut Day as an official Club project and will assist Mrs. Holbert in tagging activities.

Tagging activities on June 8 will begin at 6:00 a.m. and extend through the early evening hours.

Over 9,000 volunteers will sell familiar paper doughnut tags on street corners in Chicago and 135 suburban communities in the surrounding seven-county area. The income goal for the 1973 Doughnut Day is \$195,000. The funds will help benefit the anticipated 1,600,000 women and children in the area who will be helped during 1973 through the social welfare services provided by The Salvation Army.

DINNER DANCE FOR GRADUATES

On Thursday, May 24 at the Antioch Upper Grade Center the gym will take on a new face and atmosphere. At 6 p.m. the 8th grade graduates will gather

for a gala dinner - dance.

The festivities will be held from 6 to 10 p.m. with a "Will" reading followed by dancing to Jim January's band.

Kerry Shute received the Arion Award for Choir from Mr. Ralph Brooke who is the Director of Choir and Band at the Fine Arts Awards night last Wednesday, May 16th. Each year the award is given to the Senior in Choir who has contributed the most in their four years. (Staff Photo)

Jerry Smouse received the John Philip Sousa Award from Mr. Brooke, Director of the Choir and Band, at the Fine Arts Award night on May 16th. Jerry received the award for his outstanding participation in the Band. He was selected for the award by his fellow students. (Staff Photo)

SUMMER BASKETBALL CLINIC

Roger Andrews and Gary Allen - Basketball Coaches at Antioch Community High School will be giving instruction on basic fundamentals of basketball, rules of the game and game situations at their summer basketball clinic to be held June 18 thru 22 and June 25 thru 29. They will practice every day from 1:00 to 3:00.

All boys in the 5th, 6th, 7th and 8th grades are eligible. A fee of \$25 must be paid by June 14,

1973. Checks are payable to the Antioch Summer Basketball Clinic. This fee also includes insurance coverage for the boys.

The boys are to furnish their own equipment, including white T-shirt, shorts, supporter, white athletic socks and gym shoes. Towels will be furnished.

For more information call Roger Andrews at 395-3374 or Gary Allen at 395-0358.

American Legion Auxiliary

Little red poppies will bloom on millions of coats this May 25th and 26th, when the American Legion and their Auxiliary volunteers distribute these scarlet memorial flowers to the general public. The poppy is worn once a year to express reverence for those who died for America in two World Wars, the Korean and Vietnam conflicts. It grew on the battlegrounds in France and Belgium, where so many men fought and died during World War I. Since the disabled and hospitalized veterans are able to earn money fabricating these poppies, the proceeds from poppy sales help lighten the financial burden of these men. The fashioning of the poppies provides useful therapy in whiling away the tedious hours of hospitalization. Any surplus money realized, after the poppy fabricators have been paid, can only be used in either rehabilitation work, or for veteran's indigent families through the children and youth programs. All 24 Legion Posts and 22 Auxiliary Units of 10th District, which comprises all of Lake County, will be out on the streets of every community next Friday and Saturday, asking "Wear a Poppy, Please?" District poppy chairman, C. E. Warnecke, Waukegan; co-chairman, William Dowden, Antioch, and Mrs. Frank Waggett, Highland Park, hope that the public will remember the sacrifices these servicemen made for them, and will be generous.

Local poppy co-chairmen for Antioch are Mrs. Samuel Pettigrew and Mrs. Frank Kennedy.

The 10th District American Legion Auxiliary will be holding their annual past president's parley dinner party at 6:30 p.m. May 29, at the Elk's Club in Waukegan. Mrs. Joseph Hogue, Waukegan, Junior Past District President, will be the presiding

officer and the general chairman. Mrs. A.J. Dorn, Mundelein, and Mrs. Norman Holt, North Chicago, are in charge of the entertainment. Mrs. Herbert Gleason, Libertyville, will make up the program booklets and invitations; and Mrs. Barbara Klemm, Gurnee, will take care of reservations. Each unit junior past president will have charge of her Unit's reservations. Mrs. John W. Horan, Antioch Unit junior past president, is making the arrangements for this vicinity.

Guest of honor will be Department Junior Past President, Mrs. Firman Henricks of Cerro Gordo. Special guests will be Mr. and Mrs. Edward Jahneke of Antioch.

The past president's parley program has five serious purposes. They give gifts and creature comforts to hospitalized ex-servicewomen. In addition, the 10 District Auxiliary annually has a big picnic for some 200 women at Downey Hospital every August, and gives them presents as well. The parley program also supports the veteran's craft exchange and donates \$1,500.00 each year for the exchange's maintenance. Contributions are made to the nurses' scholarships fund, with 26 high school graduates each receiving a \$500.00 nursing scholarship last year. Past presidents aid in the membership program, particularly in reinstatements. Lastly, these past presidents pay friendly visits to ill and infirm members, and the families of Vietnam servicemen.

On May 31st, at 7:00 p.m., the final board meeting of the 10th District Auxiliary's year with this year's officers and chairmen will be a pot luck supper party held at the Zion-Benton American Legion Home. Mrs. Everett Ainsworth, Lake Forest, 10th District President, will conduct the meeting.

NATIONAL ORGANIZATION FOR WOMEN MEETING ON MAY 24

The Lake County Chapter of the National Organization for Women will hold its monthly meeting on Thursday, May 24, 1973 at 7:30 p.m. at the Public Library, 128 North County Street, Waukegan.

A Karate demonstration is the scheduled program for the

evening. The demonstration will be given by Ms. Harper, a teacher at the Central Lake YMCA. Ms. Harper holds a third degree black belt rating, which is the highest "recognized" rating a woman can attain.

The public is invited to attend.

RAINBOW NIGHT

May 14 was Richelle Radke's last meeting of her Rainbow term. She had planned a special night to celebrate Mother's Day. The evening started with a bowling party with several mothers joining the girls for bowling. Bet there were a few sore muscles the next day.

Following that the Rainbow Girls and their families went to the Masonic Temple for a Pot-luck dinner. Before our meeting, the girls paid a special tribute to their mothers with a program.

Refreshments were served following the election of new officers.

NEWCOMER'S INSTALLED BY CANDELIGHT

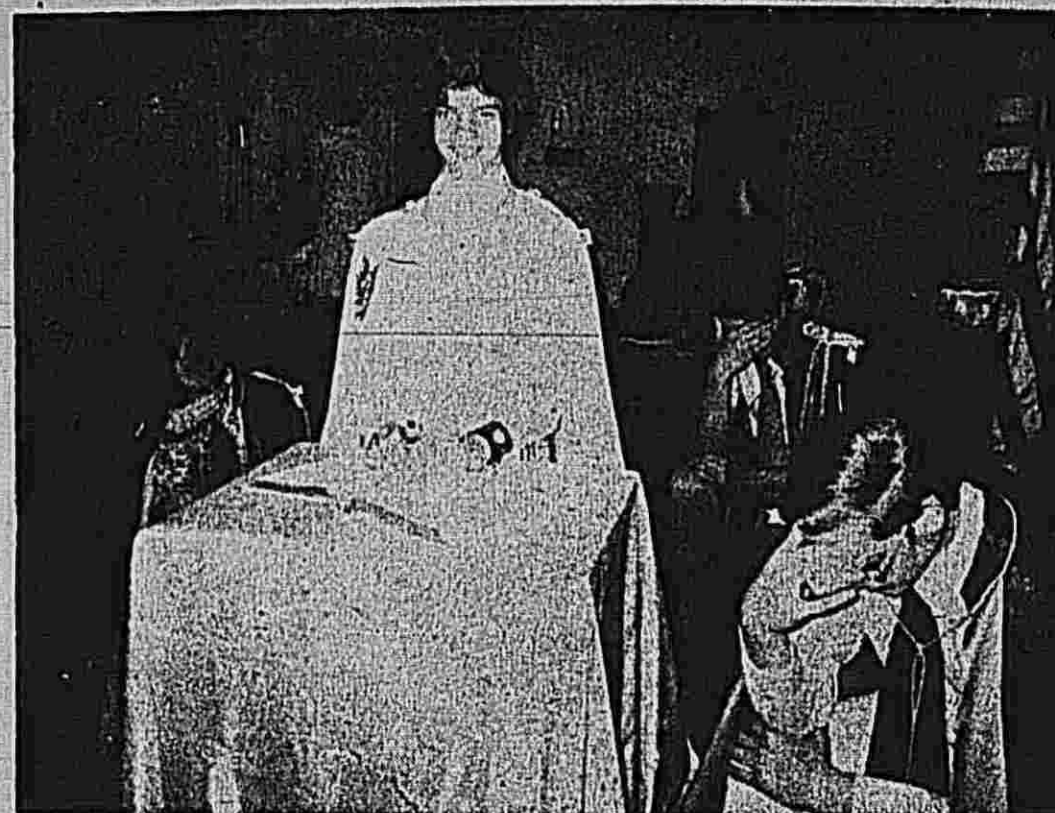

The Antioch Welcome Wagon Newcomer's Club held its installation of new officers, Saturday evening - May 19th, at Andre's Steak House. The members started the evening with cocktails, followed by dinner. Eileen Jensen of the Welcome Wagon and her husband were guests. Ms. Jensen officiated at the lovely candlelight ceremony which installed the new officers: President-Nancy Mancuso; 1st Vice President-Sally Chanon; 2nd Vice President-Mary Ellen Rizzo; Treasurer-Sally Denning; Recording Secretary-Joanne Bell; Corresponding Secretary-Evelyn La Fata; Historian-Dee Lewis. The evening was a huge success-good food, good friends, pleasant surroundings-had to add up to a good time for all. After dinner all spent the evening just having a fine time. We wish much success to the new officers for the coming year. We wish to thank the out-going officers for the work and effort of the past year.

We will start the new year with a meeting to be held, Wednesday, June 6th, at the Antioch State Bank at 8:00 p.m. We hope for a good turnout, as we will be making plans for the coming year. Come and join us, please bring your suggestions with you, they will be most welcome.

The Newcomers are planning to hold a progressive dinner, to be held Saturday, June 16th. Further details will be furnished. Set this date aside to join us.

The newly installed Worthy Advisor, Sue Rigby, and Junior Past Worthy Advisor, Richelle Radke.

Above, Steve Caldwell, Bob Walsh, Scott Edmonds, and Jim Caldwell are performing the Nine O'Clock Introplation.

SUE RIGBY INSTALLED AS WORTHY ADVISOR

On Saturday, May 12, Sue Rigby and her officers were installed. Sue's motto is "Love Opens the Door to Happiness". Her flower is the daffodil and her colors are yellow and green. The out-going Worthy Advisor, Richelle Radke, wished Sue her best for a good term. The Milburn DeMolay boys gave their Nine O'clock Introplation. Congratulations, pictures and refreshments followed the ceremony. It was a beautiful evening for everyone.

The following is a list of the officers who were installed:

ELECTED OFFICERS, Sue Rigby-Worthy advisor, Vicki Plotz-Worthy Associate Advisor, Louise Kutz-Charity, Sue Plett-Hope, Kim Evanson-Faith, Sue Walsh-Recorder,

Barb Mason-Treasurer.

APPOINTED OFFICERS: Cindy Plotz-Chaplain, Lori Burns-Drill Leader, Beth McLellan-Love, Laura Geisler-Religion, Diane Walsh-Nature, Kim Plotz-Immortality, Nancy Ford-Fidelity, Pam Plett-Patriotism, Colleen DeVries-Ser-vice, Tina Olson-Confidential Observer, Debbie Pilcher-Outer Observer, Cathy Wysoglad-Musician, Cindy Bowling-Choir Director.

CHOIR: Linda Borak, Denise DeVore, Darcy DeVore, Richelle Radke.

On Sunday, May 27, the Milburn DeMolay boys are holding a family pancake breakfast at the Milburn Masonic Temple. All are invited.

Oakwood Knolls Problems continued

for the last six months.

Mr. Johnson said, "It is not like that now, it was cleaned up today."

Later in the meeting Warren asked why the debris had been cleaned up on that particular day. Johnson retorted, "So you wouldn't shove it down my throat, tonight."

The owners of the completed house were also present at the meeting and they reported to the Board that they were satisfied with their new home, and that Mr. Johnson had made all the adjustments that were needed. Building Inspector Walter Delaney added that there was nothing wrong with Johnson's building, but that he would like to see the delayed home completed.

Village Attorney, Norm Lynche advised the Board that they should hesitate in getting involved with the problems of these two separate parties.

Trustee, Ron Cunningham, suggested that this issue be studied at a special meeting with the Building Committee and the Building Inspector, before the permit is issued.

Johnson commented that if he has to wait until the next meeting for a decision he will be delayed a whole month.

He said, "I did not come up here to be a S.O.B., I am up here to try to make a living and you are trying to stop me."

Mayor Wilton then told Mr. Johnson that this is not the case. He said the Village could not ignore the complaints that were made against him.

A formal motion was then unanimously passed to turn the matter over to the building committee for further discussion. The building committee planned to meet the next day and the decision to authorize Walt Delaney to grant a permit was left to their discretion.

SEQUOIT HAPPENINGS

BITS AND PIECES

By: Taffy Engelhardt

Annual Awards Night for the Fine Arts Department was held last Wednesday evening. It was a much more casual atmosphere than that of a concert, since the audience consisted mainly of parents. Acapella Choir and the Band performed and awards were given. To receive a certificate, you must have 400 points; a silver pin, 600 points; and a gold pin, 800 points. The ARION Award, for choir, is given to the senior who has contributed the most in their four years. To receive this is an honor, since the students elect the winner. Congratulations to Kerry Shute. For band, a similar award is given. Congratulations to Jerry Smouse who received the JOHN PHILIP SOUSA award. Mr. Brooke received a black tie, baton, and briefcase from Choir and a beautiful pair of gold bookends from band. This is our way of showing our appreciation to him for all of his hard work, patience and help he gives us daily. Honors Night was enjoyed by all.

Swing Choir performed on Tuesday night at a banquet in the Millburn First Congregational Church. It was in honor of the church choir. As guests, Swing Choir received a delicious dinner. They performed again on Friday evening at the Millburn Grade School. That was their last performance of the year.

Student Council had their last meeting of the year on Tuesday. New members were installed and are beginning to plan for next year. The "Farewell Address" was given by our president, Glen Amundsen, and we wish the new Student Council a successful upcoming year.

Congratulations to next year's varsity football cheerleading squad. They are: Kathy Toft, Wendy Laursen, Dale Weiss, Sandy Wiegert, Kim Klopp and Kim Novak.

Honors Day will be held on Thursday, May 24, at 2:00 p.m. in the cafeteria. To be in presence, you must have been chosen on the basis of outstanding achievement. Parents and friends are invited to attend.

RAIN DELAYS CAUSE BACKLOG OF GAMES

The Antioch Sequoit baseball team has been temporarily put out of action by the weather man in recent weeks. While the rainy weather has caused more severe damage in the form of floods, it has also caused postponement of several contests. Consequently, the Sequoits will be faced with a tight schedule when old Sol breaks through. After the fair weather resumed recently, the Sequoits began their long haul. Playing

three games in four days they were able to win all of them.

The first game was a 2-0 shutout over previously undefeated Grant. Fred Popp pitched an excellent game, outdueling Jesse Gooslin in a pitcher's battle. Tim Mieure sparked much of the offensive power.

Five strong innings from Mike Gutowski and a stiff breeze blowing out to right combined to achieve a 9-4 victory over Lake Zurich the following day. Fred Popp had a two run homer in the first inning to start the offense rolling.

On Friday, Antioch took a 6-3 record and second place into the game with Lake Forest. In a tight game, the Sequoits prevailed 5-4. Clutch performances by Mark Maras and Shayne Schroeder helped to put this one away. Glen Amundsen got the win on the mound.

The Sequoits take a 7-3 record into the District Opener against Round Lake on Tuesday. Amundsen will start on the mound for Antioch. A victory Tuesday will see Fred Popp face Grant or Grayslake in a showdown for the District Crown.

Glen Amundsen

LAW DAY

In many honors as an Antioch student, I think none of them have come close to that of attending the WKRS, Lake County Bar Associations Law Day Program.

A chance to see our state government in its workings was much better than any history class could do. As a chance to meet new and exciting people it could never be matched.

To all you juniors who may be reading this, I recommend one thing; when the time comes to sign up for this, do not hesitate to join. You won't regret it.

Ken Boucos

COUNTDOWN

Everybody is starting the count down. Seniors have until May 31. For the rest of us, it's June 5.

For awhile it'll probably be good to get out of the clutches of Antioch High. Although summer vacation is usually stereotyped as being trips all over the country and sunning on the beach. Most of us will get full time jobs and work the summer away.

But then, of course, there's summer school for those who just can't stand being away. Summer school starts June 20. Summer school isn't too bad, but on a hot day at ACHS it's like walking in the Sarah desert in a parka. It's hot in here!

So take your pick: work, sleep, sun or school. And have a nice vacation!

Patti Long

PLANNING WEEKEND

During the Memorial Day weekend, the GAA officers and All-Stars are going on a planning trip to Miss Arendt's cabin in northern Wisconsin. The group consists of about 15 girls. Miss Arendt and a few others will go as sponsors.

This event is designed to help get GAA started for next year. Many problems need to be discussed - such as, extra-mural

sports hurting GAA attendance; whether GAA is losing interest here at Antioch and how this can be prevented; and what will be done to improve the organization for next year.

The weekend will not be spent on business only. The girls who go will enjoy swimming, hiking and fishing. It will be a good time to have a break from the regular school week. And, because there isn't any T.V. or running water, the girls will be exposed to what it's like without all of the luxuries of home.

Sandi Stewart

TEACHER, PARENT, STUDENT CAMP-OUT

The Antioch Community High School Science Department held a Teacher, Parent, Student Camp-out on Saturday and Sunday, May 19 and 20 at Devils

Lake, Wisconsin.

Biology Teachers and organizers, William Goetzelman and Gilbert Krahn are working on a permanent program that will strengthen the ties between school and community with a program that is both educational and social.

The participants in this camp-out included: 8 teachers; 2 school employees; 17 adults from the community (mostly parents of children attending); 51 students; and 10 smaller children, for a grand total of

about 90 people.

The 18 auto caravan left the school by 7:00 a.m. Saturday and returned Sunday late in the afternoon.

The program consisted of nature hikes to identify some of the plants and animals of the location and also to learn about the Geologic rock formations present.

Other trips taken within the last 2 years include 2 visits to Kettle Moraine and 1 outing to the open pit coal mines near Coal City, Illinois.

BILL FRIES RECEIVES FANSTEEL SCHOLARSHIP

William W. Fries, of Rte 1, Antioch, and a Senior at the Antioch High School, was happily informed this week that he has received a 1973 Fansteel Scholarship Foundation Award in the amount of \$500.

The letter said, "On behalf of the Board of Directors and the selection committee of the Fansteel Scholarship Foundation it is my pleasure to notify and congratulate you on being selected to receive a 1973 Fansteel Scholarship Foundation Award in the amount of \$500. This award is to assist you in meeting the expenses of the forthcoming 1973-74 college academic year."

The letter was written by Earl F. Legler, who is the Executive Secretary of the Fansteel Scholarship Foundation Award Scholarship.

TIM MIEURE TO ATTEND HAMLINE UNIVERSITY IN ST. PAUL

Tim Mieure, basketball and baseball standout for Antioch High School, will continue his athletic career at Hamline University, St. Paul, Minnesota.

Mieure, son of Mr. and Mrs. Lee Mieure, 451 Winsor Drive, Antioch, was an All-Lake County guard in basketball for two years and earned All-State Honorable Mention two years. He was also All-NWSC baseball second baseman for three years.

During his high school career, Mieure was a member of the National Society of Student Leaders and belonged to the Honor Society for two years. He also appeared in "Who's Who in American High Schools," won the P.T.A. Scholarship Award and served as president of the "A" Club, Antioch High School's varsity athletic organization.

Hamline University's head basketball coach, Don Meyer, is pleased that Mieure will be attending the college. "We are really fortunate to be able to attract a student-athlete of his caliber," he says. "We feel he will help us on our running offense and full court defense."

JOHN TERRY CHEVROLET & OLDSMOBILE, INC. ANTIOCH, ILLINOIS 312-395-3600

(Week of May 25-31)

ARIES (March 21-April 20): Correspondence with those far away can boost morale. Tend to details at home and work or school. Social activities may interrupt your schedule, but you can handle everything through careful planning. Best days: Monday, Thursday.

TAURUS (April 21-May 20): Take care to avoid errors at work and meet schedules on time. Moon in your sign is a time for taking inventory of your ambitions and your progress in meeting them. Spouse or partner could be irritable. Best days: Saturday, Wednesday.

GEMINI (May 21-June 21): A strong desire for travel and adventure indicated. This is a good time for trips, short vacations. Not favorable for seeking new romantic attachments or making major changes in personal life. Best day: Sunday.

CANCER (June 22-July 21): Friends may seek advice, but it would be best to let others make their own decisions. Social aspects on the rise. Watch grooming. Someone who interests you may be waiting for an opportunity to expand friendship. Best day: Thursday.

LEO (July 22-Aug. 22): An excellent cycle for those born under your sign. Prospects for gains financially and socially will come your way. Career aspects high. A good period for furthering your employment goals. Best days: Tuesday, Wednesday.

VIRGO (Aug. 23-Sept. 22): Slow down the social pace. Health can suffer if you don't get sufficient rest. Be careful if travelling over holiday weekend. Not an especially favorable time for financial dealings. Best days: Saturday, Wednesday.

LIBRA (Sept. 23-Oct. 22): Family relationships occupy your attention during this period. Surprise spouse or loved one with a gift or a holiday outing. Your enthusiasm can make for a pleasant period for family and friends. Best days: Sunday, Thursday.

SCORPIO (Oct. 23-Nov. 22): A quiet, but pleasurable holiday period. Shopping or short trips favored over weekend. You may wish to spend some time on home improvements. Career prospects improve toward mid-week. Best days: Wednesday, Thursday.

SAGITTARIUS (Nov. 23-Dec. 21): solar aspects favor recreation and romance. A social activity during the holiday period can lead to an interesting new acquaintance. Your enthusiasm and personality make a hit. Watch the budget to avoid financial difficulties. Best days: Monday, Wednesday.

CAPRICORN (Dec. 22 - Jan. 20): Events may seem overpowering at times, but patience can solve most problems. Take some time to yourself for relaxing or enjoying a favorite hobby or sport. Family, friends may need a favor. Best days: Sunday, Tuesday.

AQUARIUS (Jan. 21 - Feb. 18): Follow your own intuition in deciding on social activities and matters at work. Romantic cycle is in a favorable trend. Communications with someone at a distance could boost morale, lead to future activities. Best days: Tuesday, Thursday.

PISCES (Feb. 19-March 20): Shopping, gardening and other home improvements favored over weekend. Do not tease an old acquaintance, or there may be a misunderstanding. Minor health problems can cause worry if you neglect rest. Best days: Saturday, Monday.

CARY L. CYBUL GRADUATES

Saturday, May 12, marked the 104th spring commencement of the University of Wisconsin-Whitewater and the third consecutive year that more than one thousand seniors were graduated.

Ceremonies were held at 10 a.m. in Warhawk Stadium and included the awarding of approximately 1100 baccalaureate and 95 master's degrees and the presentation of Distinguished Service Awards to four alumni.

Chancellor William L. Carter conferred the degrees, and the graduate from this area was: Cary L. Cybul, son of Mr. and Mrs. Clement Cybul, Route 1, Box 759, Antioch, who received the bachelor of science degree with a biology major and a coaching minor.

GARY LEE CYBUL INITIATED INTO PHI KAPPA PHI HONOR SOCIETY

One hundred seventy-nine students have been initiated into the Western Illinois University chapter of Phi Kappa Phi Honor Society.

Among them are 40 juniors, 107 seniors, 30 master's degree candidates, and two candidates for the Education Specialist degree. Gary Lee Cybul of Route 1, Antioch, who is a graduate student in Zoology was one of the students.

Phi Kappa Phi is the only honorary society on the WIU campus which is interdisciplinary and elects its members from all recognized branches of academic endeavor.

PATRICIA GORLITZ & VALERIE STROM GRADUATE

Patricia Gorlitz and Valerie Kristine Strom, both of Antioch, are candidates for bachelor of arts degrees from Augustana College, Rock Island, at the 113th annual commencement May 27.

Miss Gorlitz, a business administration and economics major, is a daughter of Mr. and Mrs. Kenneth E. Wiedman, 648 Gary's Drive, and Miss Strom, an English major, is a daughter of Mr. and Mrs. Gustav L. Strom, 495 Winsor Drive.

KARL M. JENNRICH

Marine Pfc. Karl M. Jennrich husband of the former Miss Cynthia D. Cross of 760 Main, Antioch, Illinois, graduated from basic training at the Marine Corps Recruit Depot here.

He is a 1968 graduate of Antioch High School and a former student of Monmouth College, Monmouth, Illinois.

HOMETOWN NEWS

GARY R. DOOLITTLE

Gary R. Doolittle will be graduated from Spencerian College of Business on May 24, 1973. His parents are Mr. and Mrs. Russell Doolittle of Route 2 Box 339, Antioch, Illinois.

Mr. J.W. Kipper, President, will confer degrees, diplomas, or certificates on 126 candidates at Spencerian's 110 graduation. Exercises will be held at the Condordia College Auditorium, 3126 West Kulbourn Avenue, Milwaukee, Wisconsin.

Mr. Frank C. DeGuire, President of Pabst Brewing, and Mr. John Drilling, Newscaster with WITI TV 6 will receive an Honorary Master's Degree in Business Administration.

Mr. DeGuire and Mr. Drilling will also be the commencement speakers. Gary R. Doolittle will receive a Bachelor of Business Administration with a major in Accounting.

JERRY A. HOFFMAN

Jerry A. Hoffman, son of Mr. and Mrs. Vernon S. Hoffman of 21 S. Lake Third Lake, Lake Villa, Illinois, has been promoted to airman first class in the U.S. Air Force.

Airman Hoffman is a security policeman at Kadena AB, Okinawa. He is assigned to a unit of the Pacific Air Forces (PACAF) which provides tactical air power supporting the U.S. and its allies in southeast Asia and the Far East.

The airman is a 1971 graduate of Dundee Community High School, Carpentersville, Illinois.

MICHAEL L. CLARK

Navy Machinist Mate Fireman Michael L. Clark, son of Mrs. Ida L. Clark, Route 3, Maple Avenue, Antioch, Illinois, has left Norfolk, Virginia, aboard the USS JOHN F. KENNEDY for an extended deployment with the U. S. 6th Fleet in the Mediterranean.

A 1970 graduate of Antioch Community High School, he joined the Navy in February 1972.

EVE JANUARY

Eve January, daughter of Mr. and Mrs. E. L. January, Route 2, Box 29, Antioch, was elected to the Student Government Judicial Board for the 1973-74 academic year at Rockford College. Eve is a sophomore, majoring in education.

All Full-time students are members of Student Government and vote to elect Judicial Board members. This board provides disciplinary action for those students violating college rules and regulations.

Rockford College is a private, coeducational, four-year, liberal arts college, founded in 1847. Ten years ago, the college moved to a new 304-acre campus at the eastern edge of the city.

CYNTHIA SCHLEUSENER

Cynthia Schleusener, daughter of Mr. and Mrs. Roland Schleusener, 1015 Victoria Street, Antioch was commissioned a first lieutenant in the Army Nurse Corps Friday in the Memorial Student Center at Illinois Wesleyan University.

She will report to Fort Sam Houston in Texas for five weeks of basic training August 14.

She is one of six Wesleyan coeds commissioned Friday. They make up the largest group of Wesleyan students to be sworn in during one school year.

She has been attending school for the past three years under an Army program that provided financial aid to her.

Miss Schleusener is 1969 graduate of Antioch High School.

GARY S. SWANSON

Navy Airman Gary S. Swanson, son of Mr. and Mrs. Axel E. Swanson of Route 3, Lake Villa, Illinois, is enrolled in the basic Aerographer's Mate School at the Naval Air Technical Training Center here.

He is a 1969 graduate of Grayslake Community High School, Grayslake, Illinois, and a former student of the University of Illinois, Champaign-Urbana, Illinois.

Aerographer's mates observe, collect, record and analyze meteorological and oceanographic data.

DEBRA L. HERBERT

Debra L. Herbert has been elected to membership in Toppers, honor society for freshman women at Augustana College, Rock Island. the society recognizes women who have achieved a 3.4 overall average or better for one quarter of the freshman year.

Miss Herbert is a daughter of Mr. and Mrs. William H. Herbert, Jr., 515 Winsor Drive, Antioch.

PAMELA HUNLEY WINS SCHOLARSHIP

Pamela Hunley, daughter of Mr. and Mrs. Joseph V. Hunley of Antioch, has been awarded a scholarship to perform with the Illinois Wesleyan University Summer theatre.

In addition to performing on stage, Pam will also be the Assistant Costumer. Scheduled for summer production are "The Apple Tree", "Hay Fever" and "A Funny Thing Happened on the Way to the Forum". Pam, who is a sophomore in the School of Drama at Illinois Wesleyan, is home visiting her parents at the Rio-Val Pony Farm for a few days before returning to Bloomington June 3rd to start rehearsals.

PIRKO RECEIVES DEGREE

Robert Pirko, Route 3, Box 210, Antioch, will receive a bachelor of Science Degree in the spring commencement exercises that will be held at the University of Wisconsin-Parkside at 2 p.m. on Sunday, May 27, in the Physical Education Building.

There are 350 May candidates for bachelor's degrees, bringing Parkside's alumni ranks to more than 1,200. Another 90 August degree candidates also are eligible to participate in the graduation ceremony.

ANTHONY SEISSER HONORED AT AWARDS' DAY PROGRAM

Anthony M. Seisser of Lake Villa was among the recipients at Carmel High School for Boys to receive honors at the Annual Awards' Day Program.

The annual Awards' Day program was held on Friday, May 18, 1973 with parents and guests attending. The program recognizes academic achievements received during the past school year. The program was conducted by Fr. Briant Small, Principal, Fr. Fergus Lickteig, presented the students with their awards.

Anthony was one of seven to receive the National Merit Scholarship Letters of Commendation and he is also an Illinois State Scholar.

PENNY'S PURCHASING POWER NOT PASSE

Lyons-Ryan Ford Sales, Inc., 104 Route 173, Antioch, Illinois has announced a one-cent sale and many customers are taking advantage of the offer. According to the dealership, customers purchasing any Ford station wagon - from the Pinto to the LTD Country Squire - can buy the little red wagon pictured above for an additional penny. The bargain is available through June 17.

CHICAGO TRIBUNE

Obituaries

MR. RODNEY W. HAGG 39 years old of Tulsa, Oklahoma, passed away Saturday May 19th at Tulsa from Smoke inhalation when his home caught fire. He was born December 15, 1934 in Chicago, and had resided in Antioch for 14 years before moving to Tulsa 4 years ago. He is a member of "Svithod Lodge No. 1" in Chicago. He had been a tin smith by occupation. He had served in the U.S. Navy during World War II.

Survivors are his parents Marie & Ivar Hagg (Cross Lake) 2 sisters Mrs. Virginia Gagliano of Norridge Park, Ill and Mrs. Siv Roach of Des Moines, Iowa. Also surviving is his daughter, Patricia of Carpentersville and several nieces and nephews.

Funeral services will be held at 1:30 p.m. on Thursday at the Strang Funeral Home in Antioch. Rev. Phillip O. Laurin of St. Stephen Lutheran Church will officiate. Interment will be in Liberty Cemetery. Friends may call after 3:00 p.m. Wednesday at the funeral home.

MISS MARIANNE ROBIS 23 years old of 404 S. Lewis Avenue - Waukegan, Illinois passed away while at work on Monday May 21st in Waukegan. She was born May 20, 1950 in Waukegan and had lived most of her life in Antioch township moving to Waukegan 2 months ago. She is a member of St. Peter's church

in Waukegan. She had been employed as a Secretary and bookkeeper at Drake Electric for the past 2 years. She was preceded in death by her father Stanley W. Robis on Sept. 8, 1963.

Survivors are her mother Mrs. Caroline (Edward) Molnick (Antioch) - 1 brother William Robis (Antioch) - 2 sisters Mrs. Diane (James) Lee (San Diego, Calif.) Miss Joanne Robis (Antioch).

A funeral mass will be held at 10:00 a.m. Thursday at St. Peter Church in Antioch. Interment will be in Mt. Carmel Cemetery at Antioch. Friends may call at the Strang Funeral Home in Antioch after 2:30 p.m. Wednesday.

FRANK LORR age 93 of Antioch Illinois, (California Subdivision) passed away on May 20, 1973 at St. Therese Hospital, Waukegan, Illinois.

Mr. Lorr is survived by his wife Mary (Macek) two daughters-Lillian Smoc Heck and Gladys Giannotti and a son Mr. Frank Lorr. Also surviving are 3 brothers and one sister, five grandchildren and 9 great grandchildren.

He was a member of the Catholic Order of Foresters and St. Peter's Holy Name Society.

Funeral services will be held on Wednesday from the Barr Funeral Home at 532 Lake St., Antioch Illinois to St. Peter's Church. Requiem Mass will be said at 10:00 a.m. with interment in the family lot in Mt. Carmel Cemetery, Antioch, Illinois.

MITCHELL FRANK SURMAN 26 years old of 127th Place, Salem, Wisconsin died May 18, 1973 at his home. He was born in Chicago on January 28, 1947 and made his home in the Salem, Antioch area for the past 18 years. He was a member of St. Scholastica Church in Bristol Wisconsin.

Mr. Surman is survived by his mother and father, Mitchell and Bernice (Redwanc) he was a nephew of Frank Redwanc, Norbert Redwanc, Delores Klafka, Eleanor Olesinski, Helen Grzgbek, and Richard Surman.

Funeral services were held Monday, May 21 at the Barr Funeral Home Chapel in Antioch. Requiem Mass was offered by Father Jordon, pastor of St. Scholastica Church and he officiated at the interment in a family lot at St. Scholastic Cemetery Bristol, Wisconsin. Friends are asked to make donations to the Antioch Rescue Squad in his memory.

MRS. ROSE I. KRAMER 78 years old of Rte 2 near Bristol, Wisconsin passed away on Monday, May 21, 1973 at Kenosha Memorial Hospital. She was born March 11, 1895 in Chicago, Illinois and moved to Paddock Lake in 1948, then to Bristol in 1961. She was preceded in death by her husband Peter Kramer, and 3 sisters and 1 brother.

She is survived by 2 sons Clarence Kremer (Chicago) - Melvin Kremer (Bristol, Wis.) - 1 brother Mr. Roy Johnson (Franklin Park, Ill.) 7 grandchildren and 9 great grandchildren. Funeral services will be held at 1:30 p.m. Wednesday at the Strang Funeral Home in Antioch. Rev. Philip Borleske of Christ Lutheran Church of Paddock Lake will officiate. Interment will be in Salem Mound Cemetery near Silver Lake Wisconsin.

ONE-HOUR TV SPECIAL "WEEKEND WITHOUT SIGHT"

Blindfolded, television personality Bob Kennedy walked into the building to spend the next 48 hours without sight. He was entering the Illinois Institute for the Visually Handicapped to begin two days

LOCAL AUTHORITY IMPROVEMENT BROADENED BY DEUSTER BILL

All Illinois counties will be able to make local improvements in a new broad range of facilities including sanitary sewers and street lights under a bill sponsored by State Representative Donald E. Deuster (R. Mundelein).

Today the House of Representatives Committee on Cities and Villages unanimously recommended passage of House Bill 887 and ordered the Deuster bill to be placed on the Consent Calendar for expeditious passage.

Deuster told the Committee: "More and more the people in our urban and suburban areas are calling upon their County Government to cooperate in the development of local improvements. This bill will better enable our Illinois Counties to serve the people."

The Deuster bill broadens the definition of "local improvements" to include the following new facilities and activities: water mains, walks, sanitary sewers, gas mains, street lights, alleys, and the repaving, resurfacing and repairing of facilities such as curbs, gutters and storm sewers.

Christian Science

In St. John 5 we read of Jesus' healing of the man in Jerusalem who had been ill thirty-eight years.

In the Lesson-Sermon entitled "Soul and Body" this Sunday at First church of Christ, Scientist, the first reader, Mrs. Barbara Conzelman reads from Science and Health with Key to the Scriptures by Mary Baker Eddy, this commentary: "Like the great Exemplar, the healer should speak to disease as one having authority over it, leaving Soul to master the false evidences of the corporeal senses and to assert its claims over mortality and disease."

Everyone is invited to attend the services at BEACON HILL, Route 173 and Harden, Antioch, Illinois at 1 a.m. Children will be cared for.

of life as lived by those persons who have lost or never had the precious gift of sight.

Commonwealth Edison will sponsor Kennedy's special one-hour report, "Weekend Without Sight," to be aired on WLS-TV Channel 7 at 7:00 p.m. on Thursday, May 24.

"The program provides insight into the lives of those who are partially or totally blind," said Richard Thorsen, Edison's Director of Advertising. "We share in their successes and failures as they strive to relearn basic skills usually taken for granted. Perhaps most importantly, we hear them explain how they want to be accepted as active, participating members in our society."

THANK—YOU

We wish to express our thanks to all our friends and relatives for all their help and sympathy during our recent bereavement. A special thanks to the Rescue Squad, Doctors Thain, Kopriva, Bobzien, Barnstable and Simonean; the nurses at Victory Memorial Hospital, the Terrace Nursing Home, Strang Funeral Home, and Rev. Father Robert Lock of St. Andrews Church, Grayslake

The Family of Henry Westwood

THANK YOU

The members of the V.F.W. Post No. 4551 and Ladies Auxiliary wish to say a big thank you to all the wonderful people of Antioch for their generous response to our Buddy Poppy Day held last weekend.

A big thank you to all the ladies who worked many hours. The results of their hard work proved people have not forgotten our hospitalized veterans. Thanks again.

Laura Swanson
Poppy Chairman

THE
TRUTH
THAT HEALS

"Hindsight's Better Than Foresight"

by: Rev. Eugene Keusal

In the next couple of weeks hundreds of young men and women from our community will graduate from grammar school, high school and college. During the years of school parents, teachers, ministers and priests have been probing to show the graduates the talents and qualities God has given to them. They have done their best to bring all the talents and qualities to life.

So today our graduates can honestly say, "What I am today is God's gift to me. What I become is my gift to God." In school they may have discovered a great deal of native intelligence, athletic ability, a pleasant personality. Whatever was discovered is God's gift. These talents and qualities are to be used to seek happiness. These talents and qualities are to be shared with the people in our everyday lives so that they might also share the happiness.

Graduation ceremonies for "those over thirty" are a reminder to ask ourselves what have we become and what are we becoming? What will we present back to God who has given each of us unique talents?

LEGAL**NOTICE****OF PUBLIC HEARING AS TO THE COMBINED TENTATIVE BUDGET AND APPROPRIATION ORDINANCE OF THE "FIRST FIRE PROTECTION DISTRICT OF ANTIOCH TOWNSHIP."**

PLEASE TAKE NOTICE that the Combined Budget and Appropriation Ordinance of the "First Fire Protection District of Antioch Township", in tentative form, has been prepared by the governing body and will be conveniently available for public inspection at the front of the residence of Irving B. Elms, President of said District, at Channel Lake Shores Subdivision, in Antioch township, Lake County, Illinois, between May 16, 1973, and June 26, 1973.

A public hearing will be held as to such Combined Budget and Appropriation Ordinance at 8:00 p.m., D.S.T., on the 26th day of June, 1973, at the residence of Irving B. Elms, President of said District, at Channel Lake Shores Subdivision, Antioch Township, Lake County, Illinois.

DATED: This 15th day of May, 1973.

Charles R. Atwood
Secretary of the "First Fire Protection
District of Antioch Township"

May 23, 1973

AN ORDINANCE TERMED THE COMBINED TENTATIVE ANNUAL BUDGET AND APPROPRIATION ORDINANCE IN AND BY WHICH THE GOVERNING BODY DOES APPROPRIATE SUCH SUM OR SUMS OF MONEY AS MAY BE DEEMED NECESSARY TO DEFRAY ALL NECESSARY EXPENSES AND LIABILITIES OF THE "FIRST FIRE PROTECTION DISTRICT OF ANTIOCH TOWNSHIP", LAKE COUNTY, ILLINOIS, FOR THE FISCAL YEAR BEGINNING THE 1ST DAY OF MAY, 1973, AND SPECIFYING THE OBJECTS AND PURPOSES FOR WHICH SUCH APPROPRIATIONS ARE MADE AND THE AMOUNT APPROPRIATED FOR EACH OBJECT OR PURPOSE.

BE IT ORDAINED BY THE PRESIDENT AND BOARD OF TRUSTEES OF THE FIRST FIRE PROTECTION DISTRICT OF ANTIOCH TOWNSHIP, LAKE COUNTY, ILLINOIS:

SECTION 1: That the fiscal year for this Fire Protection District is and the same is fixed and declared to be from the 1st day of May, 1973, to the 30th day of April, 1974.

SECTION 2: That the following sums of money, or so much thereof as may be authorized by law, be and the same are hereby appropriated for the objects and purpose herein specified to defray all necessary expenses and liabilities of the First Fire Protection District of Antioch Township, Lake County, Illinois, for the fiscal year beginning the 1st day of May, 1973, and ending on the 30th day of April, 1974.

Legal**LEGAL NOTICE**

Notice is hereby given that the Stockholders of the State Bank of Antioch, Illinois, have adopted and passed changes as stated in the following resolution.

Resolved that the charter of the bank be amended by increasing the Capital Stock of the bank from \$280,000.00 consisting of 28000 shares at \$10.00 par to \$620,000.00 consisting of 62000 shares at \$10.00 par.

Further resolve that to provide and make payment for such increase in the Capital Stock the Board of Directors are authorized and directed:

(a) To transfer \$280,000.00 from the "Undivided Profits Account" to the "Capital Account".

(b) To declare a stock dividend of \$280,000.00 par value of Capital Stock (being an aggregate of 28000 shares) now outstanding, such dividend being a 100 percent stock dividend.

(c) Set distribution date for stock dividend on March 1, 1973 and on the distribution date so fixed to cause the certificate evidencing such stock dividend to be issued and distributed pro rata to stockholders of record on January 9, 1973.

(d) To offer 6000 shares of Capital Stock at \$10.00 par to all stockholders of record on January 9, 1973 on the basis of one share for each ten shares now held by each Stockholder after the Stock Dividend. These shares to be sold at a price of \$35.00 per share for a total of \$210,000.00, of this amount \$60,000.00 shall be retained in the "Capital Stock Account" and \$150,000.00 shall be transferred to the "Undivided Profits Account". No fractional shares to be issued, any fractional shares to be pooled and sold at the discretion of the Board of Directors.

The above action was taken at a regular Stockholders Meeting held at the State Bank Building at 440 Lake Street, Antioch, Illinois on January 10, 1973 and I certify that the above action was taken and was in accordance with the "Illinois Banking Act" approved May 11, 1955 in force January 1, 1957 as amended by the General Assembly of the State of Illinois.

T.C. Larson
Secretary of the Board
of Directors, State Bank of

HALFWAY HOUSE TO CELEBRATE SUCCESS WITH DINNER DANCE

Members of the Board of Directors of Halfway House in Waukegan are planning a Gala Dinner Dance June 15th, to celebrate their 5th anniversary of continuous and successful operation.

The dance will be held at the Brae Loch Country Club in Grayslake, with a cocktail hour at 7 p.m. and dinner served at 8:30 p.m. Dancing to the "Golden Tones" and an extraordinary raffle are planned for the guests present. Tickets are \$20.00 per couple and may be purchased by

calling Halfway House during the day at 244-2882.

Halfway House urges Lake County and McHenry County residents who are interested in the development and growth of the rehabilitation program at the house, to contact the director, Mr. Ed. Hucker.

Halfway House serves the youth of these two counties as an alternative to first incarceration and stresses job and educational responsibility to its residents. Help, in the form of donations—either domestic or financial is welcome.

LEGAL

NOTICE TO BIDDERS

HILLSIDE AVENUE AND SEQUOIT CREEK CROSSING ANTIOCH, ILLINOIS

Notice is hereby given that the President and Board of Trustees of the Village of Antioch, Lake County, Illinois, will receive bids at the Village Hall, 876 Main Street, until the 4th day of June, 1973, at 8:00 p.m. Central Daylight Savings Time, for the construction of a crossing of Sequoit Creek, at which time and place the bids will be publicly opened and read. Bids will be acted upon at said time and place, or at a later time and place as may be then fixed.

The work to be done is as follows:

Contract No. 1

Remove existing culvert and install twin 59" x 81" pipe

NOTICE TO BIDDERS

SEQUOIT APARTMENTS SANITARY SEWER EXTENSION

STATE ROUTE 83 ANTIOCH, ILLINOIS

Notice is hereby given that the President and Board of Trustees of the Village of Antioch, Lake County, Illinois will receive bids at the Village Hall, 874 Main Street, until the 4th day of June, 1973, at 8 p.m. Daylight Saving Time, for the construction of sanitary sewer improvements, at which time and place the bids will be publicly opened and read. Bids will be acted upon at said time and place, or at a later time and place as may be then fixed.

Contract No. 1

Construct approximately 675 lineal feet of 8" internal diameter sanitary sewer main including 5 manholes:

Construct approximately 60 lineal feet of 6" internal diameter sanitary sewer services including and required bends;

Construct approximately 40 lineal feet of 16" steel sleeve under State Route 83 and connect to existing manhole and; necessary surface restoration and incidental work.

All work is to be performed in accordance with the plans and specifications which are on file in the Village Hall, and at the office of Applied Engineering Company, 1450 South New Wilke Road, Arlington Heights, Illinois, 60005.

All bids shall be submitted, on forms provided, to the Village Clerk on or before the time specified above.

Each bid shall be accompanied by a check, drawn on and certified to be an acceptable Illinois bank in an amount of not less than ten (10) percent of the total bid, made payable to the Village of Antioch, Illinois. Bid Bonds or other substitutes will not be acceptable. The certified check shall be forfeited if the bidder fails to enter into a contract and furnish bond after his proposal shall have been accepted. The certified checks of unsuccessful bidders will be returned within 15 days of the award of a contract. The certified check of the successful bidder will be returned after he enters into a contract and furnishes a satisfactory performance bond.

The successful bidder shall furnish a performance and guarantee bond to the Village of Antioch in the amount of 100 percent of the contract.

Payment will be made in cash on the basis of approved progress estimates.

The work shall commence within ten (10) calendar days after date of written notice to proceed, and all work shall be completed within forty-five (45) calendar days after date of written notice to proceed.

The Contractor shall pay labor employed on the work, not less than the prevailing wage scale as required by State Statutes.

The Village reserves the right to defer acceptance of any proposal for a period not to exceed thirty (30) days after opening of bids, and reserves the right to reject any or all bids, to waive informalities or technicalities in bid, and to accept the bid which it deems to be in the best interests of the Village of Antioch, Illinois.

With a Stern Eye

It was quite a day, really. In the morning I watched my old friend, Frank Peers, be reelected to the presidency of the Lake County Forest Preserve, a victory which had been by no means, a foregone conclusion when the Board room began to fill up at 9:30 a.m.

In the afternoon I found myself sharing the backseat of Keith Pedersen's car with Jack Hoogasian. What's more we were charming to one another—chatty, whimsical, gay. We had been part of a tour group of Lake County V.I.P.'s, taken countryside extension of North Chicago's Abbott Laboratories. We were fed lunch in the employees' cafeteria and then taken on a tour of the grounds and a couple of the research and manufacturing facilities.

Even though Public Relations is one of the things Abbott does splendidly, they could not in their wildest dreams, have guessed they would together two such long standing antagonists. As we debarked in front of the jail, I said to him:

"Jack, if anyone sees us getting out of this car together, or if word gets around that we have been speaking pleasantly to one another—"

"You're not ashamed to be seen with me, are you Mrs. Stern?" asked the State's Attorney.

"Certainly not, Mr. Hoogasian," I said, preceding him down the short hall toward the coffee machine. "As a matter of fact, I—"

"I must speak to these fellows," he said, hurriedly ducking into the doorway of the snack bar. He waved me off toward the elevator with only one imperious instruction:

"Have a very good day, please, Mrs. Stern."

Though the odds were shorter for Frank's reelection than for a Stern-Hoogasian love-feast, it was still up in the air at 9:30 when I carried my coffee into the Board Room. The sparse group of Board members was notable for those who were absent. Was there a caucus going on? Would there be opposition to Peers' second term? On what basis? And who, for heaven's sake?

At 9:32 someone pointed out to still-President Peers that there were enough to compose a quorum if he wished to gavel the meeting to order. Someone else observed that delay could only

militate against him by giving the opposition an opportunity to glue themselves together behind another candidate. He mounted the roster and hammered the point home. The only business of the meeting was the election of a President, so first things being first, Norman Geary, in his canary yellow sport coat, was elected temporary president.

Bill Lea made the nominating speech for Peers, and itemized the several accomplishments of his administration: the passage of a \$5,000,000 bond issue, the film and radio programs about

the Forest Preserve District that were prepared and presented under his leadership. Lea was honored and proud, he said, to put Peers' name into nomination. Frank Tersar seconded "A hundred fold."

There were other hands twitching restlessly in the air, and I waited apprehensively to see who else would be nominated; but it turned out those were being exercised only to "close the nominations." My informant had told me that there was strong pressure against retaining a Democrat and that the Coles-Robin-Murrie-Amendola cartel had been at work most of the night on an opposition candidate. One could not corroborate this from the roll call, however. All eyes. The only hint of malaise was the absence of Matt Miholic and the dyseptic expression on Mrs. Amendola's face.

"I guess they couldn't get anybody to run," I said to Sam Smith after the shortest meeting in the history of the Forest Preserve had been adjourned.

"They thought they had Tom Hayward," said Sam, "but Tom told them 'nothing doing'. They're claiming now that Tom lied to them."

"Tom doesn't lie," I said, stating a fact I thought everyone knew—like the world is round. "Anyway, it's great!" We certainly agreed on that.

"Reelected by acclamation," I told my office when I got back downstairs.

"Really?" said Joan. "By acclamation?"

"Maybe a sort of reluctant acclamation, but a mandate just the same. He's done a fine job and deserved to be reelected. What does party have to do with the flora and fauna anyway?"

The asparagus sprengerli nodded toward the rubber plant

in the corner—Damned little—

WALTER J. SCHILLER-OWNER

Steve and Beverly Rzyso celebrated their 25th wedding anniversary twice in the past few weeks. On April 28th their children Debbie, Mark and Glenn hosted a party for 90 family members and friends, including members of the original wedding party. On May 8, which is the actual anniversary date, Steve and Bev renewed their marriage vows at a 7 p.m. mass at St. Peters Church. Following mass the "newlyweds" entertained several friends and neighbors at a party at their resort, "Mr. Wonderfols". All the well wishers enjoyed the evening and stuffed themselves on the delicious buffet supper which included many Polish recipes and sliced venison that tasted like the most delicious roast beef I have ever had.

The Channel Lake PTA held one of their most successful Fun Fairs on Saturday, May 12th. The bake sale goods were sold before the ladies could get them

on the counter, the children's games were very well received and the prizes were enjoyed by the adults as well as the children. The kids are already looking forward to next years Fun Fair.

At the last meeting of the Channel Lake PTA the new officers for the coming year were installed. They are President, Mrs. Shelby Wais, Vice-President, Mrs. Joan Barnes, Secretary, Mrs. Margaret Marsh and Treasurer, Mrs. Charlotte Smith. The meeting which was held Monday, May 14th was the final one until next October.

Several members of the Antioch High School Biology classes attended a camp out at Devils Lake, Wisconsin this past weekend. Area students enjoying the beautiful weather were Tim Jacobson, Jim Carrol, Ray Byzenski, Terri Runyard, Judy Bjork, Mary Chase, Kim Case and Julie Gutowski. Sharing some of the chaperone duties and enjoying themselves as much as the kids were John Runyard and Donald and Barbara Bjork.

Many birthdays were celebrated this past week. Lorna Whitton had a supper party for 14 of her 4th grade classmates

on May 15th. Lorna blew out 10 candles on her birthday cake.

Sheri Irmen celebrated her 12th birthday with a slumber party Friday nite for 5 of her girl friends.

Mike Harland turned the sweet age on Monday, May 21st. Happy 16th, Mike.

Little Rhonda Franz celebrated her 4th birthday on Monday also.

And a very happy birthday to our next door neighbor, Margaret Weiss on Sunday, May 20th.

A Sports Recognition Dinner was held recently for the 7th and 8th grade athletes of the Upper Grade School. The dinner was held at Tony and Lil's, where the boys had their fill of Pizza and pop. Bill Harland, Dick Whitton and Jim Gutowski, from our area were among the boys attending.

Spring must be here, because Little League officially opened last Sunday afternoon with the most beautiful day we've had in a long, long time.

Let me know the news,
Louise

ANTHONY W. CHEVAIRE PROMOTED TO MARKETING PROGRAM DIRECTOR

Anthony W. Chevaire has been promoted to marketing program director, hospital products division, Abbott Laboratories. In this position, Chevaire will be responsible for marketing programs for small volume parenterals and clean air centers. Chevaire, a registered pharmacist, was previously employed as a sales representative.

Chevaire, his wife Donna and their children will relocate to the Lake County, Illinois area.

SOPHS BEAK GRAYSLAKE 4 to 3

The first inning started big for the Sequoits. George Pierce started the inning by getting on with an error by the catcher. Russ Albano hit a home run over the center fielders head and scoring George.

Grayslake scored in the fourth with a man on third and a single.

The sixth inning gave Antioch two more runs and a double play. The double play happened when Frank Pleviak threw it to Russ Albano on second base to Larry Smith on first. Larry Smith started the inning with a single. Larry then stole second. Scott Vazquez advanced Larry and got on first; Mike Perrone scored Larry Smith with a sacrifice bunt and advanced Scott to third. Terry Lear then brought in Scott with a sacrifice bunt which was the game winning run.

Grayslake scored two runs both with a man on third one was an error, the other a fielder's choice.

defeat Grant 3 to 1

The Sequoits scored first in a rally in the first inning. Frank Pleviak started out the inning by getting on first by an error. Frank then stole second. Frank scored by a single off Russ Albano's bat. Russ stole second while Larry Smith was at bat. Larry doubled down the left field line and scored Russ

Albano. The rally ended with Larry being thrown out trying to steal third.

In the fourth inning Antioch tried to rally with a double by Scott Vazquez but it was too late.

The Sequoits added an insurance run in the sixth. Russ Albano started it off with a single with two out. He stole second and third base. While stealing third the baseball hit the third baseman's ankle and no one went after it and Russ scored.

In the seventh inning Grant rallied with two singles. They scored on a sleeper play catching Mike Perrone off guard and on an error.

ANTIOCH HIGH BOARD OF

EDUCATION MEETS

The regular meeting of the Board of Education of Antioch Community High School, District 117, Lake County, Antioch, Illinois, 60002, will be held on Thursday, May 24, 1973, at 7:30 p.m. at the General Office.

Ted Richter, the 'Flying Fatman' from Libertyville, shattered the one-lap late model sportsman record at the Waukegan Speedway Saturday night and then romped home the 25-lap feature winner. Richter driver a 350 cubic-inch 1967 Chevelle.

Richter, who tips the scales at 250-pounds plus, broke Bill McDonald's one week old time trial record of :15.34 with a one-lap circuit of :15.24.

RACING 3 NIGHTS OVER WEEKEND

Three nights of racing are scheduled over the Memorial Day Holiday Weekend at the Waukegan Speedway. Late model 'sportsman' races are slated on both Friday and Saturday night with the late model 'super stocks' making their third appearance of the season Sunday night. There will be no racing at Waukegan on Monday night (May 28).

Friday's special sportsman program will match all of the Waukegan regulars against the top I.R.A. sportsman drivers in a special 'All-Star' contest with a 25-lap feature topping the card. A return match is slated on Kenosha County Speedway's clay track in July with the overall winner receiving a trophy.

The annual 50-lap Memorial Day Classic event will be contested by the sportsman class on Saturday night with the Speedway adding more prize money for the extra-lap event. There will also be a full card of preliminary races.

Chuck Clark of Waukegan has taken the sportsman point lead by a four point margin over George Dukas of Zion with both drivers entered next weekend. They can expect stall competition from record-setters Ted Richter of Libertyville and Bill McDonald of Crystal Lake along with J. P. Gatti Jr. of Wheeling and a host of others.

Clark and Dukas will likely modify their cars to join in the late model 'super stock' racing on Sunday night with a 30-lap event the highlight. The 'super stock' class is allowed to run bigger tires with most cars clocking in the 14-second bracket.

Hobby stock races, wilder than ever this year, will be run all three nights. Time trials start at 7:15 with the first racing event at 8:00 p.m. each night. The track's information phone is (312) 662-8200.

RICHTER COPS 25-LAP FEATURE

McDonald settled for second with a :15.39 lap, but the Crystal Lake driver then picked up a new record copping the third heat in 2:40.01 seconds for 10-laps.

However, McDonald broke an 'A'-frame and slammed into the first turn wall in the third lap bringing out the race's only red flag. Keith Borg of Waukegan led the first two laps before Zion's George Garrett raced in front.

Then things started to happen with Chuck Clark gaining second on the next lap to the approval of the good-sized crowd, but Richter powered into second slot on the 11th lap and moved into the lead for good on the 13th round. Clark nearly caught Richter in the 18th lap, but had to settle for second. Double feature winner, George

Dukas, dropped out with overheating.

Dennis Heiskala edged by Garrett for third money with two laps left. Joe Horn of Lake Bluff finished fifth with Waukegan's Dennis Topcik sixth. Tom Barker of Caledonia won the 10-lap consolation over Dave Huber of Northbrook. In that race Rich Soberg of Crystal Lake was treated at St. Therese Hospital in Waukegan after he bit his tongue in a rough crash.

Two of the top sportsman sat out Saturday's races after problems in the warm-ups. J. P. Gatti, Jr., of Wheeling and Abel Avila of Waukegan both plan to be ready for next weekend's events which are highlighted by the annual Memorial Day 50-lap race being run next Saturday night (May 26) by the late model sportsman.

MCKAY SUNDAY NIGHT WINNER

Morton Grove's Bob McKay won the torrid 30-lap late model 'super stock' feature Sunday night at the Waukegan Speedway in one of the best events ever run at the Waukegan oval.

McKay gained the lead with ten laps to go after a scramble in the pit turn involving the five leaders. Bob Roper of Chicago moved into second at that point, but Lee Schuler of Lockport slipped by Roper with four laps to go and nearly caught McKay at the checkered. McKay drives a 1967 Chevelle convertible. It was his first feature win at Waukegan.

The stand-out of the evening had to be Ed Hoffman of Niles who qualified near the track record before winning both the trophy dash and his heat race. He appeared to be on his way to a feature win and was running in third spot in the 6th lap when a tangle with Dave Evans of Crystal Lake dropped him to seventh.

In the 14th lap he spun again, losing a lap on the leader, but he

fought back...passing the leaders and eventually winding up in 6th spot. The race was run non-stop after one complete restart was required for a seven car scramble in the first turn.

Tom Musgrave of Mundelein led the first 20 laps with McKay, Schuler, Roper, Dennis Johnson of Arlington Heights and Hoffman all bunched behind him when they all bumped in the 21st lap. Hoffman shot through the slipping cars to make up a lap at that point.

Following McKay, Schuler and Roper in the finish were Johnson, Evans, Hoffman, Lou Clavey of Deerfield (last week's winner) and Jerry Vance of Chicago. Hoffman, Musgrave and Joe Horn of Lake Bluff recorded the heat race wins.

Jean Hacke of Waukegan sprinted to a close powder puff derby win over Roberta Mass of Round Lake Beach and Debbie Ruth of Waukegan. Carl Sapiaga of Antioch and Ed Dunne of Island Lake won the hobby races.

GRASS LAKE HONORS ATHLETES

Thursday, May 17, 1973 the students participating in the Grass Lake School Athletic program were honored at a dinner held at the school. Award letters were given to members of the football, basketball, and baseball teams. Members of the Cheerleading squads also received awards. Those girls receiving Cheerleading awards were: A SQUAD: Vickie Zabielski; Linda Di Silvestro; Marjorie Kempf; Cindy Sullivan; Theresa Payton; Kelly Kiemle. B SQUAD: Valerie Busscher; Susan Lass; Jenny Beese; Jeanne Madden; Gina Calonder; Sharon Mayer.

Members of the girls volley-

ball team were recognized for the 2nd place showing in a tournament held earlier in the year. The girls softball team also received recognition for their conference play which is now in its 2nd year.

Mr. Bruce Bartosz, a member of the Antioch High School Coaching staff, addressed the honored guests for the evening. Special awards were granted to the following for their efforts in the 1972-73 season.

Best Team Player: Gary Di Silvestro; Most Improved Player: Dave Morrison and Fred Malecki; Best Athlete: Scott Nohava.

LOSES TO ROUND LAKE IN TOURNEYS BUT WINS IN CONFERENCE PLAY

On May 15 Round Lake beat Antioch in the district tournaments, 6-0.

The Sequoits started off on the wrong foot, making three errors in the first inning which accounted for two runs, both unearned. They could never recover from the deficit. Only 26 men came to the plate, and six of them got on base. Shayne Schroeder got the only hit in the second inning with two outs and Judd Smith on first base. It was a bloop single to left field, putting him on first and Smith on second. This was the biggest scoring threat Antioch came up with.

Glen Amundsen pitched until there were two outs in the sixth inning, when Mike Gutowski came in to retire the last batter.

Gutowski	0	0	0	0	0	
Webb (w)	0	0	1	7	3	

On May 17, Antioch beat Round Lake 11 to 3.

The Sequoits started moving in the first inning. Tim Mieure walked, stole second, went to third on a wild pitch, and scored on a single by Fred Popp.

In the second inning, Tom Warner singled, went to second on a passed ball, advanced to third on a ground ball by Shayne Schroeder, and scored on a ground ball by Judd Smith.

The Sequoits broke the game open in the third. Tim Mieure walked and an error by the second baseman put him on second and Fred Popp on first. Mieure scored and Popp went to third on Steve Vazquez's single. Vazquez went to second and Popp scored on a single by Mark Maras. Tom Warner walked to load the bases and Shayne Schroeder hit into a force play to score Vazquez. A

wild throw by the shortstop then permitted Maras to score.

In the fifth, Vazquez and Maras hit two consecutive singles. Tom Warner then went to third on a three-base error by the catcher scoring Vazquez and Maras. An error by the second baseman then scored. Warner got a hit and put Schroeder on first base. Schroeder moved to second on a wild pitch and scored on Judd Smith's infield hit. A sacrifice fly to right by Ed Weirtz scored Smith and ended Antioch's scoring.

Fred Popp was very effective, allowing only four hits and one earned run. ERA moved down to a low 2.10.

SEQUOITS LOSE TO RAMS

May 18

On May 18, Grayslake ended Antioch's 5 game winning streak by beating them 8-2.

Antioch drew first blood when Rick Sedar led off the first inning with a walk and scored on a double by Fred Popp.

Like in the district game against Round Lake, two runs, both of which were unearned, came on three errors in the bottom half of the first. Grayslake took the lead for good in the third inning by scoring a run on a double and two singles. Insurance runs in the fourth and the sixth innings put the game out of reach.

The Sequoits' other run came in the fourth inning. Mark Maras singled and advanced to second on another single by Tom Warner. A force play

TRYOUTS FOR BASEBALL TEAM

Try-outs for the American Legion Baseball Team will be held Saturday, May 26, at 3:30 p.m. at the Antioch Community High School field. All Boys of High school age and through the age of 19 are eligible. For further information call J. Ferrier 395-2631.

advanced Maras to third, and a single by Judd Smith scored him.

For the last three innings, the Sequoits could do nothing. They sent the minimum number of nine men to the plate.

Mike Gutowski pitched until one out in the fifth and was relieved by Glen Amundsen. Gutowski commented, "I guess it just wasn't our day." No truer words were ever spoken.

ANTIOCH

966 VICTORIA ST.

ILLINOIS

There was plenty of action in the season opening games of the Antioch Little League Sunday afternoon. The first game of a double-header matched the Cubs and the Dodgers. One of the Dodger runs is pictured at the top, but it wasn't enough as the Cubs were victorious 12-6. In the second game the Cardinals ended up on top beating the Yankees by a 14-6 score. Action from that game is pictured above. (Staff Photos)

All American Air Show packed with thrills and skills

Three pilots, led by Charlie Hillard, the reigning World Aerobatic champion, known as the Red Devils, will demonstrate their skills at the 1973 edition of the Burlington All American Air Show, to be held in that Southeastern Wisconsin city on Saturday and Sunday, June 16 and 17.

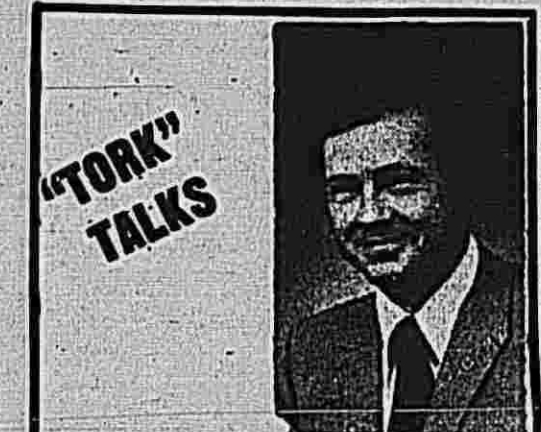

This trio consists of three of the top pilots in the U. S. Beside Hillard of Fort Worth, Texas, is Gene Soucy, who recently moved to Milwaukee from Texas, who won the U. S. National Title in 1970-71 and 72, and Tom Poberezny, Milwaukee, who finished second to Soucy at the 1972 U. S. Nationals and placed sixth in the world in competition in France last year.

In 1972 they performed at major air shows in Washington, D. C., Cleveland, Kansas City and Pensacola, Florida. In addition they were a part of the large grand finale air show for the '72 World Championships

in Salon De Provence, France.

Aside from formation thrills, the trio also exhibit their individual skills.

The All American show will be held at Burlington Municipal Airport, on the western edge of Burlington, about 35 miles from Milwaukee, 12 miles from Lake Geneva and 65 miles from Chicago's heartland. This show is the only one to be held in southeastern Wisconsin and northern Illinois this year.

WHY BUCKLE UP

Mr. Douglas Toms, Administrator of the National Highway Traffic Safety Administration, has stated that he knows of no instance in which anyone wearing both lap and shoulder belts has been killed in an accident at speeds up to 50 miles per hour while driving a car manufactured since 1968. In a recent study of 160 accident cases, in which 60 percent of the vehicles had heavy damage of the type often associated with occupant injury, 99 percent of the lap-shoulder belt users had no injury or only minor injury.

These statistics, along with many others, point to the importance of seat and shoulder belts in preventing fatalities and injuries in automobile accidents. Unfortunately, many people still choose to ignore the figures and fail to "buckle up" every time they drive.
